Ready or not, you are in the run of your life. Whether you run like lightning, or crawl at a snail's pace, God has chosen you to run the race set before you. His word calls to you: "Let us throw off everything that hinders...let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith." (Heb 12:1-2) Not an athlete? Doesn't matter. Still warming up? The race has already begun. Winded and limping? Keep moving forward. Stumbled or fallen? You have not been disqualified. Or maybe, while running in perfect stride, you've hit daunting obstacles. Do not give up!

Why? Because this isn't a one-person race. It's a relay. You are not alone, but are part of a team assembled by God to achieve his purposes. And God is unstoppable. Fortunately, God has not left you on your own to muddle through the race untrained. His word and his story written into the lives of believers are filled with the wisdom to train you to successfully run the divine relay. Discover how to receive your baton, how to grasp firmly and carry forward all that God entrusts to you—his uncompromising truth, his piercing light, his radical change, his world-transforming love. And be trained in how to release what is no longer yours to carry so that every member of God's team can press on toward the goal to win the prize for which God has called us heavenward in Christ Jesus. In *Unstoppable*, best-selling author, global evangelist, and human-trafficking activist, Christine Caine, mesmerizes us with true stories and eternal principles that equip us to run the race we were born to win, receiving and releasing the baton of faith in sync with our team, the body of Christ. God has plucked us out of eternity, positioned us in time, and given us gifts and talents to serve him in this generation to bring the light of Jesus Christ into a broken world. Our race is now. This is our time in history. We've been handed the baton of faith and asked to carry that light and dispel the darkness. If we receive and pass on the baton in the divine relay, we will be unstoppable.

Unstoppable is the ultimate immigrant story and an epic David-and-Goliath adventure. While American teens were socializing in ice cream parlors, Siggi was suffering beatings by Nazi hoodlums for being a Jew and was soon deported along with his family to the darkest place the world has ever known: Auschwitz. Siggi used his wits to stay alive, pretending to have trade skills the Nazis could exploit to run the camp. After two death marches and near starvation, he was liberated from camp Mauthausen and went to work for the US Army hunting Nazis, a service that earned him a visa to America. On arrival, he made three vows: to never go hungry again, to support the Jewish people, and to speak out against injustice. He earned his first dollar shoveling snow after a fierce blizzard. His next job was laboring in toxic sweatshops. From these humble beginnings, he became President, Chairman and CEO of a New York Stock Exchange-listed oil company and grew a full-service commercial bank to more than \$4 billion in assets. Siggi's ascent from the darkest of yesterdays to the brightest of tomorrows holds sway over the imagination in this riveting narrative of grit, cunning, luck, and the determination to live life to the fullest.

Just as World War II called an earlier generation to greatness, so the climate crisis is calling today's rising youth to action: to create a better future. In *UNSTOPPABLE*, Bill Nye crystallizes and expands the message for which he is best known and beloved. That message is that with a combination of optimism and scientific curiosity, all obstacles become opportunities, and the possibilities of our world become limitless. With a scientist's thirst for knowledge and an engineer's vision of what can be, Bill Nye sees today's environmental issues not as insurmountable, depressing problems but as chances for our society to rise to the challenge and create a cleaner, healthier, smarter world. We need not accept that transportation consumes half our energy, and that two-thirds of the energy you put into your car is immediately thrown away out the tailpipe. We need not accept that dangerous emissions are the price we must pay for a vibrant economy and a comfortable life. Above all, we need not accept that we will leave our children a planet that is dirty, overheated, and depleted of resources. As Bill shares his vision, he debunks some of the most persistent myths and misunderstandings about global warming. When you are done reading, you'll be enlightened and empowered. Chances are, you'll be smiling, too, ready to join Bill and change the world. In *Unstoppable: Harnessing Science to Change the World*, the New York Times bestselling author of *Undeniable: Evolution and the Science of Creation* and former host of "Bill Nye the Science Guy"

issues a new challenge to today's generation: to make a cleaner, more efficient, and happier world. Praise for *UNDENIABLE*: "With his charming, breezy, narrative style, Bill empowers the reader to see the natural world as it is, not as some would wish it to be. He does it right. And, as I expected, he does it best." -Neil deGrasse Tyson, Ph.D, host of *COSMOS* "Bill Nye, 'the Science Guy,' has become a veritable cultural icon....[T]he title of his new book on evolution...[is] 'Undeniable,' because, yes, there are many Americans who still deny what Darwin and other scientists long ago proved." -Frank Bruni, *The New York Times* "With a jaunty bow tie and boyish enthusiasm, Bill Nye the Science Guy has spent decades decoding scientific topics, from germs to volcanoes, for television audiences....In his new book, Nye delights in how [evolution] helps to unlock the mysteries of everything from bumblebees to human origins to our place in the universe." -National Geographic "When it comes to Bill Nye, 'Science Guy' doesn't even begin to cover it. When he's not being summoned to act as a voice of reason for news outlets or leading meetings as CEO of the Planetary Society, he is living the life of a best-selling author....His recently published book, 'Undeniable: Evolution and the Science of Creation,' enlightens readers while using a conversational, educational tone. After all, it's his ability to break down even the most complicated topics into bite-size pieces that made him such a hit on his '90s children's show 'Bill Nye, the Science Guy.'" -The Boston Globe

"Mr. Nye writes briskly and accessibly...[and] makes an eloquent case for evolution." -The Wall Street Journal "Because [Bill Nye is] a scientist, he has no doubts that the 'deniers' of evolution are flat wrong. And because he's a performer, his book is fun to read and easy to absorb." -The Washington Post "Ignite your inner scientist when Nye, known for delivering geeky intel with clarity and charm, takes on one of society's most hotly debated topics (yes, still)." -Time Out New York

"The powerful and inspiring story of an all-American wrestler who defied the odds. Anthony Robles is a three-time all-American wrestler, the 2011 NCAA National Wrestling Champion, and a Nike-sponsored athlete. He was also born without his right leg. Doctors could not explain to his mother, Judy, what led to the birth defect, but at the age of five, the one-legged toddler scaled a

six-foot pole unassisted. From that moment on, Judy knew without a doubt that her son would be unstoppable. When Anthony first began wrestling in high school, he was the smallest kid on the team and finished the year in last place. Yet Anthony's family and coaches supported his decision to continue, and he completed his junior and senior years with a 96-0 record to become a two-time Arizona State champion. In college, Anthony had to prove all over again that he could excel. Despite hardships on and off the mat—including the temptation to quit school and get a job to help his family when they lost their home to foreclosure—Anthony focused his determination and became a champion once again. Since winning the national championship in March 2011, Anthony has become a nationally recognized role model to kids and adults alike.
