A personal look at a controversial literary figure examines his views on women, marriage, and sexuality, challenging current beliefs about his racism, adultery, repressed homosexuality, and his odd but enduring marriage to Frieda Violated Zondervan

The UK was shocked to its core in May 2012 when a gang of nine men was convicted of the systematic sexual abuse of disadvantaged teenage girls in the Rochdale area - the crimes including counts of rape, aiding and abetting rape, sexual assault and trafficking girls within the UK for sexual exploitation. Yet many childcare experts reckon these crimes are just the tip of an iceberg of wide scale exploitation occurring across the country. The Deputy Children's Commissioner Sue Berelowitz said in June 2012 that there 'isn't a town, village or hamlet in which children are not being sexually exploited'. As this book goes to press, a gang of men similar to those convicted in Rochdale stands trial for similar crimes in Oxford. What is happening in Britain that means young vulnerable girls can be exploited in this way? Award-winning journalist Kris Hollington tells the inside story of some of the most shocking and heartbreaking crimes of recent years, focusing on the Rochdale case but also analysing recent cases in the London area that

have echoes of the brutality of organised slavery. His findings expose how the British justice system is failing to protect children in the 21st century. It is a scandal that cannot be ignored.

THE TRUTH BEHIND THE
BBC'S THREE GIRLS

The UK was shocked to its core in May 2012 when a gang of nine men was convicted of the systematic sexual abuse of disadvantaged teenage girls in the Rochdale area. The crimes included counts of rape, aiding and abetting rape, sexual assault and trafficking girls within the UK for sexual exploitation. Yet

many childcare experts reckoned these crimes were just the tip of an iceberg of wide scale exploitation occurring across the country. The Deputy Children's Commissioner Sue Berelowitz said in June 2012 that there 'isn't a town, village or hamlet in which children are not being sexually exploited'. When this book went to press, a gang of men similar to those convicted in Rochdale stood trial for similar crimes in Oxford. Award-winning journalist Kris Hollington tells the inside story of some of the most shocking and heartbreaking crimes of recent years, focusing on the Rochdale case but also analysing recent cases in the London area that echo the brutality of organised slavery. He seeks to expose how the British justice system is failing to protect children in the 21st century and to answer the question: 'What is happening in Britain that means young vulnerable girls can be exploited in this way?' It is a scandal that cannot be ignored.

The Netflix movie starring Academy Award-winners Eddie Redmayne and Jessica Chastain—based on this “stunning book...that should and does bring to mind In Cold Blood” —takes you inside the mind of America's most prolific

serial killer, whose 16-year long "nursing" career left as many as 400 dead. (New York Times) After his December 2003 arrest, nurse Charlie Cullen was quickly dubbed "The Angel of Death" by the media. But he was no mercy killer nor a simple monster. Cullen was, at times, a trusted colleague, a beloved father, and a best friend. He was also perhaps the most prolific serial killer in American history, implicated in the deaths of as many as 400 patients. Cullen's murderous career spanned sixteen years and nine hospitals. Now, in a riveting piece of investigative journalism, Charles Graeber uncovers how Cullen gamed the system, and tells the unbelievable true story of the confidential informant asked to risk her life and career to betray a friend and finally stop a serial killer. Based on extensive never-before-seen evidence and years of exclusive jailhouse conversations with Cullen himself, *THE GOOD NURSE* is a mesmerizing and irresistibly paced portrait of medicine and madness. This book will make you look at hospitals and the people who work in them in an entirely different way.

[Conversations about Calling Harper](#)
Paperbacks
Conversations about Calling explores management perspectives of the calling construct. Using Max Weber's seminal work, *The Protestant Ethic and the Spirit of Capitalism*, as a starting point, Myers seeks to enrich management perspectives of calling by integrating the contributions of other disciplines to the literature on calling. While the word 'calling' is casually used as shorthand for 'my ideal job', the calling concept has provoked deeper and

varied interest among the secular and spiritual circles of both scholars and practitioners. Structured around the idea of four conversations, the book aims to promote a holistic examination of calling. Each conversation has a different focus, elucidating important dimensions of calling, and together they provide a truly comprehensive view. Part I of the book examines existing conversations in management, while part II explores calling across disciplines and eras, from the 1500s to the present. Finally, part III unifies all conversations in a comprehensive theory, then discusses its application and implications for practitioners and organizations. With a

strong theoretical grounding, the book also incorporates practical applications supported by case studies. Anyone interested in ethics or management and spirituality will benefit from reading this book. Please visit www.conversationsaboutcalling.com to rate the book and write a review.

The Good Nurse
Transaction Publishers
The bestselling author of *A Hundred Summers* brings the Roaring Twenties brilliantly to life in this enchanting and compulsively readable tale of intrigue, romance, and scandal in New York Society, brimming with lush atmosphere, striking characters, and irresistible charm. As the freedom of the Jazz

Age transforms New York City, the iridescent Mrs. Theresa Marshall of Fifth Avenue and Southampton, Long Island, has done the unthinkable: she's fallen in love with her young paramour, Captain Octavian Rofrano, a handsome aviator and hero of the Great War. An intense and deeply honorable man, Octavian is devoted to the beautiful socialite of a certain age and wants to marry her. While times are changing and she does adore the Boy, divorce for a woman of Theresa's wealth and social standing is out of the question, and there is no need; she has an understanding with

Sylvo, her generous and well-respected philanderer husband. But their relationship subtly shifts when her bachelor brother, Ox, decides to tie the knot with the sweet younger daughter of a newly wealthy inventor. Engaging a longstanding family tradition, Theresa enlists the Boy to act as her brother's cavalier, presenting the family's diamond rose ring to Ox's intended, Miss Sophie Fortescue—and to check into the background of the little-known Fortescue family. When Octavian meets Sophie, he falls under the spell of the pretty ingénue, even as he uncovers a shocking family secret.

As the love triangle of Theresa, Octavian, and Sophie progresses, it transforms into a saga of divided loyalties, dangerous revelations, and surprising twists that will lead to a shocking transgression . . . and eventually force Theresa to make a bittersweet choice. Full of the glamour, wit and delicious twists that are the hallmarks of Beatriz Williams ' fiction and alternating between Sophie ' s spirited voice and Theresa ' s vibrant timbre, *A Certain Age* is a beguiling reinterpretation of Richard Strauss ' s comic opera *Der Rosenkavalier*, set against the sweeping decadence of *Gatsby* ' s

New York. *The Hellion and The Heartbreaker* Simon and Schuster
A master of seduction... seduced by an innocent... Vowing never to fall prey to something as foolish and impractical as love, the sinfully handsome Duke of Worthe has long been regarded as one of London ' s most profligate rakes. However, entering into a scandalous liaison with the sister of his closest friend is not something even he would consider, despite her breathtaking allure and his fierce, overwhelming desire to possess her. Or so he thought... Raised by four doting older brothers, and possessing a reckless streak as bold as her fiery red curls, Scarlett McPhearson has long been accustomed to

getting what she wants. After becoming acquainted with Alec Weston, the most sought-after bachelor in England, she discovers something she wants more than anything she has ever wanted before, to capture the heart of the man she has come to adore. Willingly surrendering her innocence to a man who offers her passion beyond her wildest dreams, but no false promises of happily ever after, Scarlett will risk pain, sorrow and devastating heartache to win his everlasting love...

What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal.

Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo

involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I ' m jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor

Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* Irish Writing Rare Treasure Editions
“ I ’ ll take my share of the blame. I only ask that he take his. ” In *Bringing Down the Colonel*, the journalist Patricia Miller tells the story of Madeline Pollard, an unlikely nineteenth-century women ’ s rights crusader. After an affair with a prominent politician left her “ ruined, ” Pollard brought the man—and the hypocrisy of America ’ s control of women ’ s sexuality—to trial. And, surprisingly, she won. Pollard and the married Colonel Breckinridge began their decade-long affair when she was just a teenager. After the death of his wife,

Breckinridge asked for Pollard ’ s hand—and then broke off the engagement to marry another woman. But Pollard struck back, suing Breckinridge for breach of promise in a shockingly public trial. With premarital sex considered irredeemably ruinous for a woman, Pollard was asserting the unthinkable: that the sexual morality of men and women should be judged equally. Nearly 125 years after the Breckinridge-Pollard scandal, America is still obsessed with women ’ s sexual morality. And in the age of Donald Trump and Harvey Weinstein, we ’ ve witnessed fraught public reckonings with a type of sexual exploitation unnervingly similar to that experienced by Pollard. Using newspaper

articles, personal journals, previously unpublished autobiographies, and letters, *Bringing Down the Colonel* tells the story of one of the earliest women to publicly fight back. *The Raw Files: 1993 William Morrow*

On July 6, 2019, Jeffrey Epstein became a household name as an international sex trafficker of underage girls, serial sex abuser, and confidant of the most famous, rich, and powerful men in the world. Barely a month after his arrest, he was reportedly found dead in his prison cell, supposedly by suicide. Numerous investigations are ongoing, to find out how he really died--but the public has been kept in the dark. In this first

of a series of books about the most notorious #MeToo era sexual predators, author and law professor Deana Pollard Sacks offers the most comprehensive look ever at the sordid life of Jeffrey Epstein. Her research is impeccable and synthesizes news stories, court cases, and interviews--along with her keen observations--to give the reader a full picture of the life and crimes of this twisted sexual pervert. In this scathing indictment, Professor Sacks reveals the gross incompetence and bald corruption of certain government officials who aided and abetted the sex abuser, and exposes the media outlets who enabled Epstein's crimes by withholding the truth from us all. This book is

a must-read for any #MeToo survivor or follower, concerned citizen, or individual who is fed up with having one justice system for the rich and another for the rest of us.

The Scandal That Made Her His Queen
Sarah Crichton Books
The UK was shocked to its core in May 2012 when a gang of nine men was convicted of the systematic sexual abuse of disadvantaged teenage girls in the Rochdale area - the crimes including counts of rape, aiding and abetting rape, sexual assault and trafficking girls within the UK for sexual exploitation. Unthinkable reveals how these crimes are just the tip of an

iceberg of widescale exploitation occurring across the country and goes behind the headlines to explain how vulnerable girls can be exploited in this way. Kris Hollington tells the inside story of some of the most shocking and heartbreaking crimes of recent years, crimes that have echoes of the brutality of organised slavery. His findings expose how the British justice system is failing to protect children in the 21st century. It is a scandal that cannot be ignored.

Bringing Down the Colonel Oxford University Press
A Washington Post bestseller While the world has made

encouraging strides in the fight against global poverty, the hidden plague of everyday violence silently undermines our best efforts to help the poor. Common violence like rape, forced labor, illegal detention, land theft, and police abuse has become routine and relentless. And like a horde of locusts devouring everything in its path, the unchecked plague of violence ruins lives, blocks the road out of poverty, and undercuts development. How has this plague of violence grown so ferocious? In one of the most remarkable social disasters of the last half century, basic public justice systems in the developing world have descended into a state of utter collapse, and

there's nothing shielding the poor from violent people. Gary A. Haugen and Victor Boutros offer a searing account of how we got here and what it will take to end the plague. The Locust Effect is a gripping journey into the streets and slums where fear is a daily reality for billions of the world's poorest, where safety is secured only for those with money, and where much of our well-intended aid is lost in the daily chaos of violence. While their call to action is urgent, Haugen and Boutros provide hope, a real solution and an ambitious way forward. The Locust Effect will forever change the way we understand global poverty, and will help secure a safe path to prosperity for the global

poor in the 21st century. Creating a Prodigal-Friendly Church
Ballantine Books
From author Kia Abdullah, *Take It Back* is a harrowing and twisting courtroom thriller that keeps you guessing until the last page is turned. One victim. Four accused. Who is telling the truth? Zara Kaleel, one of London's brightest legal minds, shattered the expectations placed on her by her family and forged a brilliant legal career. But her decisions came at a high cost, and now, battling her own demons, she has exchanged her high profile career for a job at a sexual assault center, helping victims

who need her the most. Victims like Jodie Wolfe. When Jodie, a sixteen-year-old girl with facial deformities, accuses four boys in her class of an unthinkable crime, the community is torn apart. After all, these four teenage defendants are from hard-working immigrant families and they all have proven alibis. Even Jodie's best friend doesn't believe her. But Zara does—and she is determined to fight for Jodie—to find the truth in the face of public outcry. And as issues of sex, race and social justice collide, the most explosive criminal trial of the year builds to a shocking conclusion. [Villa America](#)

Independently
Published
A dazzling novel set in the French Riviera based on the real-life inspirations for F. Scott Fitzgerald's *Tender is The Night*. When Sara Wiborg and Gerald Murphy met and married, they set forth to create a beautiful world together—one that they couldn't find within the confines of society life in New York City. They packed up their children and moved to the South of France, where they immediately fell in with a group of expats, including Hemingway, Picasso, and Zelda and Scott Fitzgerald. On the coast of Antibes they built Villa

America, a fragrant paradise where they invented summer on the Riviera for a group of bohemian artists and writers who became deeply entwined in each other's affairs. There, in their oasis by the sea, the Murphys regaled their guests and their children with flamboyant beach parties, fiery debates over the newest ideas, and dinners beneath the stars. It was, for a while, a charmed life, but these were people who kept secrets, and who beneath the sparkling veneer were heartbreakingly human. When a tragic accident brings Owen, a young American aviator who fought in the Great War, to the south of

France, he finds himself and affecting, and drawn into this flamboyant circle, and the Murphys find their world irrevocably, unexpectedly transformed. A handsome, private man, Owen intrigues and unsettles the Murphys, testing the strength of their union and encouraging a hidden side of Gerald to emerge. Suddenly a life in which everything has been considered and exquisitely planned becomes volatile, its safeties breached, the stakes incalculably high. Nothing will remain as it once was. Liza Klaussman expertly evokes the 1920s cultural scene of the so-called "Lost Generation." Ravishing

written with infinite tenderness, VILLA AMERICA is at once the poignant story of a marriage and of a golden age that could not last.

Irish Writing Jennifer McNare

Light from a Distant Star is a gripping coming-of-age story with a brutal murder at its heart and a heroine as unforgettable as Harper Lee's "Scout." It is early summer and Nellie Peck is on the cusp of adolescence--gangly, awkward, full of questions, but keenly observant and wiser than many of the adults in her life. The person she most admires is her father, Benjamin, a man of great integrity. His family's century old hardware store is failing and Nellie's mother has had to go back to work. Nellie's older half-sister

has launched a disturbing search for her birth father. Often saddled through the long, hot days with her timid younger brother, Henry, Nellie is determined to toughen him up. And herself as well. Three strangers enter Nellie's protected life. Brooding Max Devaney is an ex-con who works in her surly grandfather's junkyard. Reckless Bucky Saltonstall has just arrived from New York City to live with his elderly grandparents. And pretty Dolly Bedelia is a young stripper who rents the family's small, rear apartment and becomes the titillating focus of Nellie's eavesdropping. When violence erupts in the lovely Peck house, the prime suspect seems obvious. Nellie knows who the real murderer is, but is soon silenced by fear and the threat of scandal. The truth, as she sees it, is shocking and unthinkable, and with everyone's eyes

riveted on her in the courtroom, Nellie finds herself seized with doubt. No one will listen. No one believes her, and a man's life hangs in the balance. A stunning evocation of innocence lost, *Light from a Distant Star* stands as an incredibly moving and powerful novel from one of America's finest writers. Ingrid Routledge

This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and

professional life - a story Couric talks candidly she ' s never shared, until about adjusting to sudden now. Of the medium she fame after her loves, the one that made astonishing rise to co- her a household name, anchor of the TODAY she says, “ Television can show, and guides us put you in a box; the flat- through the most screen can flatten. On momentous events and TV, you are larger than news stories of the era, life but smaller, too. It is to which she had a front- not the whole story, and row seat: Rodney King, it is not the whole me. Anita Hill, Columbine, the This book is.” Beginning death of Princess Diana, in early childhood, Couric 9/11, the Iraq War . . . Going There Doubleday Canada

During the past several years the mass media in the United States has been awash with reports of priestly pedophilia, ecclesiastical cover-up, and clerical intimidation or financial settlements intended to silence victims.

Based on journalistic accounts, or scholarly research, it might be assumed that this is a recent phenomenon.

Journalist reports began only within the past few years. Similarly, most sociologists of religion and particularly specialists in deviance and criminology did not reflect awareness of clerical misbehavior in

their work. Despite this, Anson Shupe shows that clergy deviance, whether it is sexual or otherwise, is not merely a recent problem. It is as old as the church itself and is inevitably bound to recur due to the nature of religious groups. This comprehensive analysis offers the first up-to-date analysis of sexual, economic, and authoritative clergy malfeasance across faiths and denominational authority structures.

Drawing on examples taken from antiquity up until the present day, and using reports by historians, theologians, church spokespersons, therapists, social scientists, and journalists, Shupe critically evaluates clergy deviant behavior, dividing it into various types. He also makes use of the therapeutic literature, addressing victimization at the level of the individual, church, and community at

large. In this way, he compares the response of the clergy to victims' attempts to mobilize movements calling for church reform. Perhaps most controversial, this book considers the possible relationship of homosexuality in the clergy to the occurrences of scandals in all religious traditions across the board. As an overview of clergy misconduct, this book is singular. There is simply no other comprehensive serious examination of this subject. Written by a sociologist for a wide range of readers, its multi-disciplinary nature, vivid examples, and wealth of research, will make the volume of interest to sociologists of religion and crime, historians and theologians, as well as a general public.

Neoliberalism and the Moral Economy of Fraud
Harlequin

This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible's wide-ranging reception in world cinema. It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament; considering issues of biblical reception across a wide array of film genres, ranging from noir to anime; featuring directors, from Lee Chang-dong to the Coen brothers, whose body of work reveals an enduring fascination with biblical texts and motifs; and offering topical essays on cinema's treatment of selected biblical themes (e.g., lament, apocalyptic), particular

interpretive lenses (e.g., feminist interpretation, queer theory), and windows into biblical reception in a variety of world cinemas (e.g., Indian, Israeli, and Third Cinema). This handbook is intended for scholars of the Bible, religion, and film as well as for a wider general audience. Never Look Away Little, Brown

Written by ESPN investigative reporters VIOLATED narrates the sexual abuse by members of Baylor's football team and the university's attempt to silence the victims. A portion of the proceeds will be donated to RAINN to help fight sexual abuse.

Throughout its history, Baylor University has presented itself as something special: As

the world's largest Baptist university, it was unabashedly Christian. It condemned any sex outside of marriage, and drinking alcohol was grounds for dismissal. Students weren't even allowed to dance on campus until 1996. During the last several years, however, Baylor officials were hiding a dark secret: Female students were being sexually assaulted at an alarming rate. Baylor administrators did very little to help victims, and their assailants rarely faced discipline for their abhorrent behavior. Finally, after a pair of high-profile criminal cases involving football players, an independent examination of Baylor's handling of allegations of sexual assault led to sweeping changes,

including the unprecedented ouster of its president, athletics director, and popular, highly successful football coach. For several years, campuses and sports teams across the country have been plagued with accusations of sexual violence, and they've been criticized for how they responded to the students involved. But Baylor stands out. A culture reigned in which people believed that any type of sex, especially violent non-consensual sex, simply "doesn't happen here." Yet it was happening. Many people within Baylor's leadership knew about it. And they chose not to act. Paula Lavigne and Mark Schlabach weave together the complex - and at times contradictory - narrative

of how a university and football program ascending in national prominence came crashing down amidst the stories of woman after woman coming forward describing their assaults, and a university system they found indifferent to their pain.
