"A haunting and mesmerizing story about sisterhood, family, love and loss by literary luminary Edwidge Danticat. Giselle Boyer and her identical twin, Isabelle, are as close as sisters can be, even as their family seems to be

unraveling. Then the Boyers have a tragic encounter that will shatter everyone's world forever. Giselle wakes up in the hospital, injured and unable to speak or move. Trapped in the prison of her own body, Giselle must revisit her past in order to understand how the people closest to her -- her friends, her parents, and above all, Isabelle, her twin -- have shaped and defined her. Will she allow her love for her family and friends to lead her to recovery? Or will she remain lost in a spiral of longing and regret? Untwine is a spellbinding tale, lyrical and filled with love, mystery, humor, and heartbreak. Award-winning author Edwidge Danticat brings her

extraordinary talent to this graceful and unflinching examination of the bonds of friendship, romance, family, the horrors of loss, and the strength we must discover in ourselves when all seems hopeless."

Challenger Deep, Neal Shusterman, delivers a suspenseful, eloquent, and thrilling novel that you won't be able to stop thinking about after you've put it down. Tennyson is not surprised, really, when his family begins to fall apart, or when his twin sister, Brontë, starts dating the misunderstood bully, Brewster (or The Bruiser, as the entire high school calls him). Tennyson is determined to get to the bottom of The Bruiser's reputation, even if it means gearing up for a fight. Brontë, on the other hand, thinks there's something special underneath that tough exterior. And she's right...but neither she nor Tennyson is prepared for the truth of what lies below the surface. Growing up in the Cinzio Traveling Players circus, Genevieve Flannery is accustomed to a life most teenagers could never imagine: daily workouts of extravagant

acrobatics; an extended family of clowns; wild animals for pets; and her mother Delia, whose mind has always been tortured by visions—but whose love for Geni is unwavering. In a world of performers who mystify and amaze on a daily basis, even Delia’s ghostly visions never seemed all that strange. . . until the evening Geni and her mother are performing an aerial routine they’ve done hundreds of times before, and Delia falls to her death. That night, everything changes. Already reeling from the tragedy, the Cinzio Traveling Players have even more to adjust to when the circus falls under new ownership. Though the new benefactor seems incredibly generous, Geni

suspects his motives are much darker. And when the owner’s son, Henry, starts taking an interest in her, is it actual attraction, or an attempt to get her to lower her guard so his father can secure what he’s really after? Suddenly swept with the terrifying visions that plagued her mother, Geni’s no longer sure who she should trust or love. And, worst of all, she’s starting to question whether she can trust her own mind. Sommersby blends teenage drama, sizzling romance, ancient lore, and dangerous magic, against the bewitching backdrop of the circus in this atmospheric, lushly-written tale. Sleight Simon and Schuster

Connor, Risa and Lev each struggle to rescue as many AWOL teens as possible and

offer them sanctuary. But life at the Graveyard is hard, rivalries bubble under the surface and the cracks are beginning to show. And then there is Cam, a teen who does not exist. Made entirely out of parts from one hundred other 'unwinds', Cam is a 21st century Frankenstein, a rewind, struggling to find a true identity and meaning, and a place in society. As the Baggers begin to create a new world order, these

four teens will have to trust and rely on each other in order to survive.
