The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic
Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book

on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of

Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

Sometimes what happens in Vegas doesn't stay there. Callyn Stott wakes up from a night-out at her friend Lara's Bachelorette party in Vegas with a hangover... and a wife. She's not really sure how she and her best friend Emma got hitched, only that they did and it's completely and totally legal. Callyn is used to getting in and out of scrapes, but

this one takes the cake. Further complicating matters, Emma suggest that they stay married for "financial reasons" that don't really hold water. Not wanting to argue, Callyn agrees. The situation gets even more confusing when Callyn has to move out of her apartment, and where is she going to stay? With her fake wife, and best friend, of course. It's not like anything is going to happen. Things between the two of them have always been strictly platonic and best-friendly, right? Emma hasn't been secretly in love with Callyn her whole life and has just been waiting for Callyn to notice. No, surely not. Will Callyn get her head out of her ass and see what's right in front of her, or will she live the rest of her life oblivious that the one person she's always wanted is already there?

Three adolescent boys with a single goal: see a real live naked girl. The result? Razor-sharp, rapid-fire, and raunchy, of course. And beyond hilarious. Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time -- quite a challenge, given that none of the guys has the nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team. In the spirit of Hollywood's blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the

adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart. CMJ New Music Report Sourcebooks, Inc.

Lauren "Lo" Bowman is in a bit of a pickle. She needs money, like ASAP. She lost her job, the rent is due, and her car needs repairs. Problem is, the inheritance left to her by her old-fashioned Granny has one stipulation before she can collect: she has to be married. Let's just say suitors (of any gender) are not knocking down her door. And then Cara Simms, her best friend from childhood that she's recently reconnected with, pours her heart out and confesses that she needs money to pay for grad school. Lo has a completely brilliant idea: they should get hitched. Not married married. Like, fake married. All they have to do is play the part for the lawyers, get the money, and then get the marriage annulled. Easy as hell. Well, it starts out that way, but being fake married feels a

lot like being real married, and Lo is flipping out. She cannot be falling for her best friend. Can she?

Now a PBS documentary, this astonishing memoir of growing up in rough-and-tumble Jersey City "will steal your heart" (People) With deadpan humor and obvious affection, Five-Finger Discount recounts the story of an unforgettable New Jersey family of swindlers, bookies, embezzlers, and mobster-wannabes. In the memoir Mary Karr calls "a page turner," Helene Stapinski ingeniously weaves the checkered history of her hometown of Jersey City—a place known for its political corruption and industrial blight—with the tales that have swirled around her relatives for decades. Navigating a childhood of toxic waste and tough love, Stapinski tells an extraordinary tale at once heartbreaking and hysterically funny. Praise for Five-Finger Discount "By turns hilarious and alarming, [Helene Stapinski's] book reads on the surface like something by Damon

Runyon and Elmore Leonard, with a dark undertow of real-life pain and disillusion." —Michiko Kakutani, The New York Times "It's a brilliant book, a darling book. It is the blessedly modest chronicle of a magical consciousness that seems to have been born pulling diamonds out of the muck, hearing angels' voices in the fiercest thunder. . . . I adored every word of this wondrous book. Get it. Read it." —Michael Pakenham, The Baltimore Sun "In the tradition of . . . Rita Mae Brown and Amy Tan, Ms. Stapinski is an exciting writer, unabashedly candid, and at the same time unashamedly self-contained. Five-Finger Discount is a must-read." —Victoria Gotti, The New York Observer "What [Frank] McCourt did for Limerick, Ireland, Helene Stapinski does for Jersey City." —The Star-Ledger "Hugely entertaining." —The Sunday Times (London)

This book extends what we know about the development of civil rights and the role of the NAACP in American politics. Through a sweeping archival analysis of the NAACP's battle against lynching and

mob violence from 1909 to 1923, this book examines how the NAACP raised public awareness, won over American presidents, secured the support of Congress, and won a landmark criminal procedure case in front of the Supreme Court.

Would the allure of a comfortable numbness prove too tempting to resist? Could you choose between feeling pain and not feeling anything, ever again? A girl is caught in a world where this choice is fiercely contested. In the cross-fire between the Red and White empires, the feeling and

the unfeeling, each bent on the other's destruction, the girl must choose between emotion and oblivion, joining the ranks with the Reds as they fight to resist the Whites, but all the while struggling with her own desperate ambivalence. All That Is Red is a story of survival and a journey through the human condition, revealing how the intimate euphoria of pain can sometimes be all we have to remind us that we are alive. Anna Caltabiano is fifteen years old. She was born in British colonial Hong Kong to a Japanese mother and an Italian-American father, before moving to Palo Alto, California; the mecca of futurism. Her writing explores and exposes an adolescent dystopia in which accepted traditions, religions, cultures and communities have been eroded, resulting in a lost generation consumed by social apathy and self-loathing which has found solace through electronic connections. Unsettling, engaging and surprisingly erudite, All That Is Red is a remarkably assured debut from an ascending literary star.
