*Up Close and Personal book by Fern Michaels*

I haven't read a Fern Michaels book in a long time. However, I always tend to enjoy her books. She has a quirky sense of humor, and her books always take an interesting path. In Up Close and Personal, the convoluted and twist and turns of the book made it interesting. There was a bit of a mystery going on.

Caterpillar fern -Polypodium formosanum  
Ferns are such an interesting group of plants. I especially love the ferns with "feet" and the bird's nest ferns. I use a lot of birds and nests in my decorating and so having a plant that looks like a nest with eggs is one I couldn't pass up. (My family [...])
