The DUFF Minotaur Books This "cunningly plotted" (New York Times) thriller is coming to Britbox this October! Bestselling, award-winning author Val McDermid delivers her most stunning story yet in The Distant Echo--an intricate, thought-

provoking tale of murder and revenge. Four in the morning, mid-December, and snow blankets St. Andrews School. Student Alex Gilbery and his three best friends are staggering home from a party when they stumble upon the body of a young woman. Rosie Duff has been raped, stabbed and left for dead in the ancient Pictish cemetery. The only suspects are the four young students stained with her blood. Twenty-five years later, police mount a cold case review. Among the unsolved murders they're examining is that of Rosie Duff. But someone else has his own idea of justice. One of the original quartet dies in a suspicious house fire and soon after, a second is killed. Alex fears the worst. Someone is taking revenge for Rosie Duff. And it might just save his life if he can uncover who really killed Rosie all those years ago.

the pleasure of refusing the “ nefarious ” scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor ’ s fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share. 9 Months Chronicle Books

Author-artist Nina Laden has taken her trademark wit and applied it to one of Shakespeare's best-loved plays. Adults familiar with the classic love story will delight in the many references to the original play, all of which make this a rarity: a children's book they want to read again and again. And

young children who know nothing of the Bard will be riveted by this funny yet touching tale about Romeow the cat and Drooliet the dog, two star-crossed lovers who meet by chance, marry in secret, and are kept apart by a snarling rottweiler, appalled owners, and the animal control warden. The clever details throughout the book belie the careful research behind this homage to true love won and lost and in the case of this book won again proving once and for all that dogs and cats can be friends. *The Distant Echo* John Wiley & Sons

New Foreword by Irvine Welsh. *In Before We Was We Madness* tell us how they became them. A story of seven originals, whose collective graft, energy and talent took them from the sweaty depths of the Hope and Anchor's basement to the Top of the Pops studio. In their own words they each look back on shared adventures. Playing music together, riding freight trains, spraying graffiti and stealing records. Walking in one another's footsteps by day and rising up through the city's exploding pub

---

music scene by night. Before *We Was We* is irreverent, funny and full of character. Just like them.

**Women's Stuff** Simon and Schuster

This is an up to date guide to the best children's books around, from classics to titles published up to the end of 2003. The New York Times bestseller

is now a major motion picture!

Seventeen-year-old Bianca Piper may not be the prettiest girl in her high school, but she has a loyal group of friends, a biting wit, and a spot-on BS detector. She's also way too smart to fall for the charms of man-slut and slimy school hottie Wesley Rush, who calls Bianca the Duff--the designated ugly fat friend--of her crew. But things aren't so great at home and Bianca, desperate for a distraction, ends up kissing Wesley. Worse, she likes it. Eager for escape, Bianca throws herself into a closeted enemies-with-benefits relationship with him. Until it all goes horribly awry. It turns out Wesley isn't such a bad listener, and his life is pretty screwed up, too. Suddenly Bianca realizes with absolute horror that she's falling for the guy she thought she hated more than anyone.

**My Little Brave Girl Penguin**

Let me guess: your Facebook page is littered with baby studies and

---

you're hearing "Having a baby changes everything" more often than "Having a baby is pure joy." The sad fact is that pregnancy has been turned into a cataclysmic medical emergency and parenthood's become an obstacle course of optimization. Music journalist Chris Kornelis has no patience for any of it. He didn't know the first thing about pregnancy when his wife gave him the good news, but he knew that the birth of a child should be a joyous occasion, not a minefield of stress and shame. Rocking Fatherhood provides a week-by-week guide to pregnancy for twenty-first century fathers, but unlike most pregnancy books, it doesn't address every scenario and statistic you and your lady could encounter in the next nine months. Rather, Chris encourages you to make decisions based on what you think is best for your family, not to conform to someone else's definition of ideal. To write the book, he mined his own time as an expectant pop and new dad, but he also solicited wisdom from doctors, scientists, songwriters, and the real rock stars' moms. His

entertaining insights include: You don't need a book or birthing course (only a 3x5 card. Babies can't change everything. They can't even change themselves. Pregnancy sex can be great sex. Nobody else knows how they're going to make it work, either. Bottle or breast: you decide what's best.

### The Mistress of Nothing Createspace Independent Publishing Platform

A sumptuous novel based on the fascinating true story of La Belle Époque icon Lucy, Lady Duff Gordon, who shattered the boundaries of fashion with her magnificently sensual and enchantingly unique design from the USA Today bestselling author of In Royal Service to the Queen. Lucy Duff Gordon knows she is talented. She sees color, light, and texture in ways few people can begin to imagine. But is the male dominated world of haute couture, who

---

would use her art for their ownher, Lucy will live on as a gain, ready for her? When she is deserted by her wealthy husband, Lucy is left penniless with an aging mother and her five-year-old daughter to support. Desperate to survive, Lucy turns to her one true talent to make a living. As a little girl, the dresses she made for her dolls were the envy of her group of playmates. Now, she uses her creative designs and her remarkable eye for color to take her place in the fashion world—failure is not an option. Then, on a frigid night in 1912, Lucy ’ s life changes once more, when she becomes one of 706 people to survive the sinking of the Titanic. She could never have imagined the effects the disaster would have on her fashion label Lucile, her marriage to her second husband, and her legacy. But no matter what life throws at

trailblazing and innovative fashion icon, never letting go of what she worked so hard to earn. This is her story.

Before We Was We Simon and Schuster  
Callum - Long gone are the days of war, when I raised my sword and fought alongside my people, against wicked, greedy souls of our vampire kind. We were victorious over those who stood against us, and King Felipe took his rightful spot on the throne. He appointed a Coven Master for each region to watch over, guide, and protect our people. He named me Coven Master of my hometown of Beckenridge, Scotland because of my strength, instincts, and fairness. Our village is made up of stone cottages we built ourselves, and is nestled between scenic heathered hills. It holds many businesses where my coven members work and thrive. We're happy and safe here, and for over a century, we've lived at peace. That all changed two days ago when my coven held a Highland Games exhibition to celebrate Prince Dante's visit and

---

the bonding of two of my security guards, Flynn and Fletcher. Crowds gathered from all around to watch the events, adding excitement, energy, and unfortunately, danger into the mix. A gunman fired a shot at Ben, the prince's consort, but his bodyguard Sam pushed him to safety and took the bullet. In the chaos of the moment, I was caught off guard by something I'd waited half a millennium for; the faint, sweet scent of my mate. Somewhere in the screaming, rushing crowd was the man whom Fate granted to me to love, cherish and protect for all of eternity. Unfortunately, I couldn't search for him; my friends' lives were hanging in the balance and I had to get them to safety. Luckily, everyone survived the ordeal, but all traces of my mate vanished in the wind. I hate the gunman for everything he took from me, and it's for that reason I've put off interrogating him; I'm afraid I can't be fair and unbiased when I hear his side of the story. But I know I can't put it off any longer; I need to get answers for Dante and Sam. When I finally step into the

shooter's prison cell, I'm met with the sight of a small man cowering in the corner...and the overwhelming scent of my mate. \*This book is the first in a spinoff series following "The Javier Coven", and I strongly recommend reading those books before beginning this story. This M/M paranormal romance is for readers 18 and up! It contains no cliffhangers or cheating, and has a very happy HEA. It features steamy scenes between a sexy vampire and his fated mate, loads of teeth tingling sweetness, and just a touch of gore.
