<p><i>Intermediate Student's Book</i> Cambridge University Press The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of</p>	<p>comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. Workbook audio available at https://elt.oup.com/student/headway/?cc=gb&selLanguage=en www.oup.com/elt/headway/ . Language in Use Pre-</p>	<p>Intermediate Self-study Workbook/answer Key Longman Lesson-per-page structure which is easy to use and saves valuable preparation time Teen-interest topics and personalized activities appeal to young learners Every lesson has an outcome: 'I CAN' statements at the top of each page build confidence by showing students what they will progressively achieve Speaking is integrated into all lessons to give</p>

students constant opportunities to speak. Students get masses of practice from the Student's Book, Workbook, MultiROM, photocopyables, and the Student's website. Build your students' confidence and improve their exam grades through an exam page at the end of every unit, and an interactive practice test on oxfordenglishtesting.com. Cambridge English Empower Elementary Presentation Plus with Student's Book and Workbook Pearson Longman. This edition is fully updated to give

students the support they need to master more than 7,000 words and phrases in American English. Following the popular in Use format, new language is taught in manageable two-page units with presentation of vocabulary on the left-hand page and innovative practice activities on the right. Suitable for self-study or classroom use, the books are informed by the Cambridge International Corpus to ensure vocabulary taught is useful, up-to-date, and presented in a natural context. *New English File: Upper-Intermediate: Workbook with key and MultiROM Pack* OUP Oxford. Grammar is the starting point of the syllabus. The problem-solving

approach to grammar helps students to work out for themselves the meaning and use of structures. Practice activities help students use the grammar in everyday situations. Motivating topics draw on students' own experiences and develop their interest in the world around them. Integrated skills work presents students with a variety of activities that develop their confidence and fluency in speaking, reading, writing and listening. The variety of texts, discussions and dialogues is supported by practical tasks that help students to use and understand the new language. A systematic vocabulary syllabus combined with learning-to-learn

skills encourage students to develop their own strategies for remembering new words. A lively photo-story in the first two levels presents informal language and a cultural reference as it follows the everyday lives of a group of British teenagers. The two upper levels contain a series of free-standing short stories which develop extensive reading skills. Practical 'Learn to learn' features help students to develop their study skills, record new vocabulary and organize their language learning. You can start the course either with Pacesetter Starter, which is for beginners, or Pacesetter Elementary, which is suitable for those who have achieved a basic level of English.

A helpful review section at the end of each unit summarizes the main learning points and provides a reference for revision work. Three consolidation units in each level revise key grammar points, vocabulary and dialogues through controlled and freer activities. The projects at the end of these units provide an opportunity for students to produce more substantial and personal pieces of work.

Meaning into Words is a course
in general English, which takes
students from intermediate level
to the upper intermediate level. It
is divided into two parts: an
Intermediate course and an
Upper-Intermediate course. The
two parts can either be used as a
single continuous course, or
separately as two independent
courses. The course systematically
covers the functional, notional
and grammatical areas that are
important to students at this level.
In each unit, students are taught
the relationship between

structures and meaning and learn
how to use structures in a
communicative context. The
Intermediate course contains 24
units, providing 100-130
classroom hours. A guide to the
answers is given in the Teacher's
Book. The Upper-Intermediate
course contains 15 teaching units
and a revision unit, providing
80-100 classroom hours.
Solutions Upper-Intermediate:
Workbook Macmillan ELT
Features a general English course
for adults and young adults based
on observation of what good
teachers do in the classroom. This
workbook contains a twelve-unit
writing course, reading texts and
activities for every unit, and an
audio CD with dictation

activities.
