10 Years UPSC CAPF Assistant Commandant (2021 - 2012) Solved Papers I & II with 5 Practice Sets Prabhat Prakashan

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state

power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

7 Years UPSC IAS/ IPS Mains General Studies Papers 1 - 4 Year-wise Solved (2013 - 2019) JTS Institute Pvt Ltd

The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy

suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

UPSC CIVIL SERVICES Preliminary Exam-2021 27 years Topic-Wise Solved Papers 1995–2021 General Studies & CSAT Paper-I & II Disha Publications

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid

verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.

Oswaal UPSC CSE Prelims 10 Years' Solved Papers (2013-2022) General Studies Paper-1 & 2 CSAT (Set of 2 books) (For 2023 Exam) UPSC Prelims Last 10 Years Solved Questions GS Paper-I

For a proper understanding of India's economy as we find today with its fast development, a study of its past economic conditions is necessary. India's economic history spans nearly 5000 years and dates back to Indus Valley Civilisation the two prominent cities of which Mohanjodaro and Harappa were big industrial centres having trade relations with West Asia and other parts of the world. Several sources provide us valuable information about the economic condition of the people of India at various stages of history. From Vedic literature we get a detailed description of the economic life of the Aryans. The Buddhist literature, particularly Jatakas and Tripitaka give

us a glimpse of the economic condition of India from 650 to 321 B.C. when every village was a self-sufficient unit. Kautilya's Arthashastra, Megasthenes Indica and Vishakhadatta's Mudrarakshasa give detailed description of the economic systems of the Mauryan period. The accounts of Chinese travellers Fa-hien and It-sing are remarkable evidences of the socio-economic life in Gupta period. Historians like Manucci tell us about the economic reforms undertaken during Mughal rule in India. The British who carved out their empire in India in the 17th century, drained India of its wealth, destroyed the self-sufficient character of villages, increased agricultural indebtedness, and gave rise to a capitalist class in India with the growth of new urban centres. After the achievement of independence in 1947 started the process of nation-building through economic planning. With the liberalisation of Indian economy in the 1990s, the country has been put on a high growth path and is making fast economic progress. The book captures the salient features of India's economic history in chronological order. It will fulfil the needs of students and teachers of this subject and prove immensely useful to the aspirants of Civil Services and other competitive examinations.
