The book is 100% useful for both the General Studies papers (1 and 2) of the Prelims/ CSAT. *UPSC CIVIL SERVICES PRELIMS SOLVED PAPERS G.S. INDIAN POLITY 26 YEARS TOPIC WISE SOLVED PAPERS 1995-2020 (Competitive Exam book)* SAGE Publishing India A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda

and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

UPSC IAS Prelims G.S. Solved Question Papers (15+ Years) Atlantic Publishers & Dist
The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It

also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

and Practice Questions with Detailed
Solutions Disha Publications

For a proper understanding of India's economy as we find today with its fast development, a study of its past economic conditions is necessary. India's economic history spans nearly 5000 years and dates back to Indus Valley Civilisation the two prominent cities of which Mohanjodaro and Harappa were big industrial centres having trade relations with West Asia and other parts of the world. Several sources provide us valuable information about the economic condition of the people of India at various stages of history. From Vedic literature we get a detailed description of the economic life of the Aryans. The Buddhist literature, particularly Jatakas and Tripitaka give us a glimpse of the economic condition of India from 650 to 321 B.C. when every village was a self-sufficient unit. Kautilya's Arthashastra, Megasthenes Indica and Vishakhadatta's Mudrarakshasa give detailed description of the economic systems of the Mauryan period. The accounts of Chinese travellers Fa-hien and It-sing are remarkable evidences of

the socio-economic life in Gupta period. Historians like Manucci tell us about the economic reforms undertaken during Mughal rule in India. The British who carved out their empire in India in the 17th century, drained India of its wealth, destroyed the self-sufficient character of villages, increased agricultural indebtedness, and gave rise to a capitalist class in India with the growth of new urban centres. After the achievement of independence in 1947 started the process of nation-building through economic planning. With the liberalisation of Indian economy in the 1990s, the country has been put on a high growth path and is making fast economic progress. The book captures the salient features of India's economic history in chronological order. It will fulfil the needs of students and teachers of this subject and prove immensely useful to the aspirants of Civil Services and other competitive examinations.
