This classroom resource provides clear, concise scientific information in an understandable and enjoyable way about water and aquatic life. Spanning the hydrologic cycle from rain to watersheds, aquifers to springs, rivers to estuaries, ample illustrations promote understanding of important concepts and clarify major ideas. Aquatic science is covered comprehensively, with relevant principles of chemistry, physics, geology, geography, ecology, and biology included throughout the text. Emphasizing water sustainability and conservation, the book tells us what we can do personally to conserve for the future and presents job and volunteer opportunities in the hope that some students will pursue careers in aquatic science. Texas Aquatic Science, originally developed as part of a multi-faceted education project for middle and high school students, can also be used at the college level for non-science majors, in the home-school environment, and by anyone who educates kids about nature and water. The project's home on the web can be found at <http://texasaquaticscience.org>

English File: Advanced Plus: Workbook (with Key)

The definitive Tolkien companion—an indispensable guide to The Hobbit, The Lord of the Rings, and more, from the author of The Road to Middle-earth. This "highly erudite celebration and exploration of Tolkien's works [is] enormous fun," declared the Houston Chronicle, and Tom Shippey, a prominent medievalist and scholar of fantasy, "deepens your understanding" without "making you forget your initial, purely instinctive response to Middle-earth and hobbits." In a clear and accessible style, Shippey offers a new approach to Tolkien, to fantasy, and to the importance of language in literature. He breaks down The Lord of the Rings as a linguistic feast for the senses and as a response to the human instinct for myth. Elsewhere, he examines The Hobbit's counterintuitive relationship to the heroic world of Middle-earth; demonstrates the significance of The Silmarillion to Tolkien's canon; and takes an illuminating look at lesser-known works in connection with Tolkien's life. Furthermore, he ties all these strands together in a continuing tradition that traces its roots back through Grimms' Fairy Tales to Beowulf. "Shippey's commentary is the best so far in elucidating Tolkien's lovely myth," wrote Harper's Magazine. J.R.R. Tolkien: Author of the Century is "a triumph" (Chicago Sun-Times) that not only gives readers a deeper understanding of Tolkien and his work, but also serves as an entertaining introduction to some of the most influential novels ever written.

Grammarway 4

Gold Plus is the updated edition of Gold, the trusted exam preparation course for adult and young adult learners. FCE Gold Plus corresponds to level B2 of the Common European Framework.

Objective Proficiency Self-study Student's Book

These literary masterpieces are made easy and interesting. This series features classic tales retold with color illustrations to introduce literature to struggling readers. Each 64-page eBook retains key phrases

and quotations from the original classics. The author tells this unforgettable story, which takes place in nineteenth-century England, through the eyes of Black Beauty. The reader will feel the love & cruelty that this great stallion experiences. Beginning with Black Beauty's wonderful life with his master, Squire Gordon, and the kindness of Jerry Barker to the terrible times as a "cab" horse having to tolerate the torture of the "proper" English bearing reins, Black Beauty's story speaks for all animals that can't speak for themselves.
