Includes Errata Sheet of Notice to Mariners (NTM) 22/13. This book contains a complete copy of the Inland and International Navigation Rules as presented by the United States Coast Guard. The Coast Guard requires that an up-to-date copy such as this one be carried on all vessels 12 meters (39 feet) or more in length

at all times. In addition to a complete copy of the USCG edition (COMDTINST M16672.2D), Paradise Cay Publications has added the following features to make our book more useful and comprehensive. 1) We have created an Annotated Contents. This added feature will help guide the reader to a desired rule. The topic of each subsection of the rules has been noted for quick reference along with the page numbers for Inland and International Rules. 2) We have updated this edition for corrections presented in Notice to Mariners up through November 15, 2004. 3) We have included detailed instructions on how to log on to the NGA (National Geospatial-Intelligence Agency, formerly NIMA) website and update this Rules Publication.

their forces and, when necessary, directly engage the enemy. But to create the type of force needed was no small task and would not be without tribulation, both from within and outside the organization. The road traveled to complete the mission was laden with obstacles. This is not a story about the Coast Guard you know, or think you know. Rather, this is a story about the other side, the side that history nearly forgot; not the standard, but the antithesis of standard. It is a story that will undoubtedly make even the most seasoned Coast Guardsmen question their understanding of the organization to which they belong. To be sure, This is not your fathers Coast

Guard.
