Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women's rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

Audits provide essential accountability and transparency over government programs. Given the current challenges facing governments and their programs, the oversight provided through auditing is more critical than ever. Government auditing provides the objective analysis and information needed to make the decisions necessary to help create a better future. The professional standards presented in this 2018 revision of Government Auditing Standards (known as the Yellow Book) provide a framework for performing high-quality audit work with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services. These standards, commonly referred to as generally accepted government auditing standards (GAGAS), provide the foundation for government auditors to lead by example in the areas of independence, transparency, accountability, and quality through the audit process. This revision contains major changes from, and supersedes, the 2011 revision.

The anthrax incidents following the 9/11 terrorist attacks put the spotlight on the nation's public health agencies, placing it under an unprecedented scrutiny that added new dimensions to the complex issues considered in this report. The Future of the Public's Health in the 21st Century reaffirms the vision of Healthy People 2010, and outlines a systems approach to assuring the nation's health in practice, research, and policy. This approach focuses on joining the unique resources and perspectives of diverse sectors and entities and challenges these groups to work in a concerted, strategic way to promote and protect the public's health. Focusing on diverse partnerships as the framework for public health, the book discusses: The need for a shift from an individual to a population-based approach in practice, research, policy, and community engagement. The status of the governmental public health infrastructure and what needs to be improved, including its interface with the health care delivery system. The roles nongovernment actors, such as academia, business, local communities and the media can play in creating a healthy nation. Providing an accessible analysis, this book will be important to public health policy-makers and practitioners, business and community leaders, health advocates, educators and journalists.
