[Cracking the AP U.S. History Exam, 2015 Edition AP® U.S. History Crash Course, For the 2020 Exam, Book + Online](#)

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

AP® U.S. History Crash Course, For the 2020 Exam, Book + Online Rowman & Littlefield

A third edition of this book is now available. Now in a fully revised and updated edition, this concise and insightful book explores the ways American popular products such as movies, music, television programs, fast food, sports, and even clothing styles have molded and continue to influence modern globalization. Lane Crothers offers a thoughtful examination of both the appeal of American products worldwide and the fear and rejection they induce in many people and nations around the world. The author defines what we mean by "popular culture," how popular culture is distinguished from the generic concept of "culture," and what constitutes "American" popular culture. Tracing how U.S. movies, music, and TV became dominant in world popular culture, Crothers also considers the ways in which non-visual products like fast-food franchises, sports, and fashion have become ubiquitous. He also presents a fascinating set of case studies that highlight the varied roles American products play in a range of different nations and communities. Concluding with a projection of the future impact of American popular culture, this book makes a powerful argument for its central role in shaping global politics and economic development.

*Thinking Through the Past, Volume I* Simon and Schuster

Named a 2013 Doody's Core Title! "This is a wonderful book for both novice and experienced physician assistants and nurse practitioners. This latest edition will see frequent use in your daily practice." Score: 100, 5 stars--Doody's Medical Reviews "This textbook provides comprehensive coverage of primary care disorders in an easy-to-read format and contains invaluable step-by-step instructions for evaluating and managing primary care patients. . . [It] belongs in every NP and PA's reference library. I highly recommend this wonderful textbook." Maria T. Leik, MSN, FNP-BC, ANP-BC, GNP-BC President, National ARNP Services, Inc. "Family Practice Guidelines is an excellent resource for the busy clinician. It offers succinct, comprehensive information in an easy format that is particularly useful for quick reference. This text is useful for general practice settings as well as specialty care." Anne Moore, APN; WHNP/ANP-BC; FAANP Vanderbilt University The second edition of Family Practice Guidelines is a comprehensive resource for clinicians, presenting current national standard of care guidelines for practice, in addition to select 2011 guidelines. **AP® U.S. History Crash Course, For the 2020 Exam, Book + Online** Princeton Review

Since 1976, newcomers and natives alike have learned about the rich history of the magnificent place they call home from Colorado: A History of the Centennial State. In the fifth edition, coauthors Carl Abbott, Stephen J. Leonard, and Thomas J. Noel incorporate recent events, scholarship, and insights about the state in an accessible volume that general readers and students will enjoy. The new edition tells of conflicts, shifting alliances, and changing ways of life as Hispanic, European, and African American settlers flooded into a region that was already home to Native Americans. Providing a balanced treatment of the entire state's history—from Grand Junction to Lamar and from Trinidad to Craig—the authors also reveal how Denver and its surrounding communities developed and gained influence. While continuing to elucidate the significant impact of mining, agriculture, manufacturing, and tourism on Colorado, the fifth edition broadens and focuses its coverage by consolidating material on Native Americans into one chapter and adding a new chapter on sports history. The authors also expand their discussion of the twentieth century with updated sections on the environment, economy, politics, and recent cultural conflicts. New illustrations, updated statistics, and an extensive bibliography including Internet resources enhance this edition. *Princeton Review AP European History Premium Prep, 2022* Princeton Review

United States History (5th Edition) Student Text takes the student on a journey beginning with European contact with American Indians and ending with the inauguration of Donald Trump. Along the journey, the course highlights major historical events that have shaped American history, inviting students to discuss the ramifications of these events on society today. - Publisher.

*A Concise History of Modern Europe* Simon and Schuster

A third edition of this book is now available. Now in a fully updated edition, this knowledgeable and reader-friendly text gives a conceptual and historical overview of American foreign relations from the founding to the present. Providing students with a solid and readily understandable framework for evaluating American foreign policy decisions, Joyce P. Kaufman clearly explains key decisions and why they were made. Compact yet thorough, the book offers instructors a concise introduction that can be easily supplemented with other sources.

**AP U.S. History** Crown

Cracking the AP U.S. History Exam, 2020 Edition, provides students with an in-depth review of key terms and concepts organized by time period, including the seventeenth and eighteenth centuries, the creation of government and early democracy, the Civil War and Reconstruction, the Machine Age, the early twentieth century, post-World War America, and more. It also includes winning strategies to help students crack the multiple-choice section and detailed coverage of both essay types--DBQ (document-based question) and free-response.

**Aamc the Official Guide to the McAt(r) Exam, Fifth Edition** Springer Publishing Company

This book presents brief summaries and places in perspective key American men, women, and events from the post-Civil War era, through the course of the twentieth century, and concluding with today's post 9/11 crisis. For more than a decade, titles in this handy, quick study series have helped many college freshmen and others taking introductory 101-level college courses. Designed to be compatible with virtually all standard textbooks in their target subjects, EZ-101 Study Keys outline and organize subject material so that it resembles classroom lecture notes taken by attentive students. As such, these books provide a general overview of course material, and are ideal for brush-up and review study sessions before taking examinations or writing class papers.
