American History is rich with literary artifacts; beyond novels, short stories and essays, the American trail was blazed with story-telling, poetry, political speeches, folk songs and letters. The young country struggled first for freedom, then to define itself and even -- during the civil war -- to hold itself together.

Brief timeline of American history

The history of the United States is what happened in the past in the United States, a country in North America.. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain. France, Spain, and the Netherlands also colonized North ...

Short shorts, as their name implies, are shorter than average. Such garments had been known since the 1930s when female Hollywood stars wore them for publicity photographs, and in New York City, a by-law (repealed 1942) was passed banning females from wearing them. They were principally worn for sports and active purposes, such as cycling.
