****Testimonials**** Thank you very much. I have used the study guides for Am Lit, Science and US His I and have passed the CLEP test. Math is one of my last tests. I have used the study guides to test out of a year of college credits and have found them very useful.

-Theresa W. ****Hi! Thank you so much for compiling all of these study guides -- they sure save a lot of studying time. This is the 3rd CLEP review book that I've bought from you and I passed my other 2 exams on the first attempt so I'm optimistic about this exam.

-Jill****Hi, I've passed 3/4 Clep's so far and with this book hopefully I'll make it 4/5. - Timothy S.**** My name is Amy and I purchased several pass your class study guides over the past two years they are awesome!!!! I recommend you guys to everyone and since I found you I think I have saved 5 friends at University of Phoenix at least 5000 dollars in overpriced general

education classes! everyone loves you guys! It's awesome I was able to almost finish my bachelors in 24 months instead of 60 months simply by taking all my gen ed classes using you guys via DANTEs and CLEP! Thanks, - Amy N.****

U.S. History Mometrix Media LLC Developed to complement the Middle/High School teaching guide, this student study guide was created as reproducible support for extension and self-directed study of A History of US: From Colonies to Country. Every

chapter is covered by a lesson, which includes activities to reinforce the following areas: access, vocabulary, map skills, comprehension, critical thinking, working with primary sources and further writing. The student study guide contains reproducible maps and explanations of graphic organizers, as well as suggestions on how to do research and special projects. About the Series: Master storyteller Joy Hakim has excited millions of young minds with the great drama of American history in her award-winning series A History of US. Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text, A History of US weaves together exciting stories that bring American history to life. Hailed by reviewers, historians, educators, and parents for its exciting, thought-provoking narrative, the books have been recognized as a break-through tool in teaching history and critical reading skills to young people. In ten books that span from Prehistory to the 21st century, young people will never think of American history as boring again.

Simon and Schuster
American History 2 covering the end of Civil War to 2021. Aligned to college course coverage of U.S. History 2, this essential reference to facts includes key

events arranged in a succinct yet comprehensive timeline offering easy access to significant turning points, people, politics and places that shaped the U.S. as a nation. The broad scope of time includes so much that it will inspire you to research beyond the guide when you find history that you've never known before. Arranged by bold dates in color coded sections, this 6-page laminated guide will help any reader get the facts they need as a history buff or to boost grades whether studying in college or high school. This durable and thorough guide has a high value for a small price with more facts per page than any book or website. 6 page laminated reference guide includes: Wounds of the Civil War 1865-1898 Expansion at Home & Abroad 1867-1917 The Gilded Age 1876-1899 The Progressive Era 1900-1914 World War I & Normalcy 1914-1928 Victorian to Modern America 1884-1928 Depression & the New Deal 1929-1941 Global Origins of World War II 1922-1941 World War II 1941-1945 The Cold War Begins 1946-1959 The Baby Boom Generation 1944-1969 The Rise & Fall of Postwar Liberalism 1960-1979 Conservatism Ascendant 1980-1989 The

Cold War Ends, New Challenges Begin 1989-2000 America in the 21st Century 2001-2021 *From Colonies to Country Middle/High School Student Study Guide, a History of US Fast Track: U.S. History* John Adams (October 30 1735 - July 4, 1826) was the second president of the United States (1797-1801), having earlier served as the first vice president of the United States (1789-1797). An American Founding Father, Adams was a statesman, diplomat, and a leading advocate of American independence from Great Britain. Well educated, he was an Enlightenment political theorist who promoted republicanism, as well as a strong central government, and wrote prolifically about his often seminal ideas-both in published works and in letters to his wife and key adviser Abigail Adams. Adams was a lifelong opponent of slavery, having never bought a slave. In 1770 he provided a principled, controversial, and successful legal defense to the British soldiers accused in the Boston Massacre, because he believed in the right to counsel and the "protect[ion] of innocence." Adams came to prominence in the early stages of the American Revolution. A lawyer and public figure in Boston, as a delegate from Massachusetts to the Continental Congress, he

played a leading role in persuading Congress to declare independence. He assisted Thomas Jefferson in drafting the Declaration of Independence in 1776, and was its primary advocate in the Congress. Later, as a diplomat in Europe, he helped negotiate the eventual peace treaty with Great Britain, and was responsible for obtaining vital governmental loans from Amsterdam bankers. A political theorist and historian, Adams largely wrote the Massachusetts Constitution in 1780, which together with his earlier *Thoughts on Government*, influenced American political thought. One of his greatest roles was as a judge of character: in 1775, he nominated George Washington to be commander-in-chief, and 25 years later nominated John Marshall to be Chief Justice of the United States. Adams' revolutionary credentials secured him two terms as George Washington's vice president and his own election in 1796 as the second president. During his one term as president, he encountered ferocious attacks by the Jeffersonian Republicans, as well as the dominant faction in his own Federalist Party led by his bitter enemy Alexander Hamilton. Adams signed the controversial Alien and Sedition Acts, and built up the army and navy especially in the face of an undeclared naval war (called the "Quasi-War") with France,

1798-1800. The major accomplishment of his presidency was his peaceful resolution of the conflict in the face of Hamilton's opposition. In 1800, Adams was defeated for re-election by Thomas Jefferson and retired to Massachusetts. He later resumed his friendship with Jefferson. He and his wife founded an accomplished family line of politicians, diplomats, and historians now referred to as the Adams political family. Adams was the father of John Quincy Adams, the sixth President of the United States. His achievements have received greater recognition in modern times, though his contributions were not initially as celebrated as those of other Founders. Adams was the first U.S. president to reside in the executive mansion that eventually became known as the White House.

Describes the time in America prior to the first World War, the vast differences between the wealthy and the poor, the changing from farming to factory work, and the inventions of conveniences such as electric lights, telephones, and bicycles.

The New Nation Cirrus Test Prep

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking

U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

Why Study History? Princeton Review

The book effectively translates author John Green's YouTube video sensation of US History Crash Courses and reflects upon events in US History using this interactive guiding question workbook.

AP U.S. History Princeton Review

The United States has been fighting wars constantly since invading Afghanistan in 2001. This nonstop warfare is far less exceptional than it might seem: the United States has been at war or has invaded other countries almost every year since independence. In *The United States of War*, David Vine traces this pattern of bloody conflict from Columbus's 1494 arrival in Guantanamo Bay through the 250-year expansion of a global US empire. Drawing on historical and firsthand anthropological research in fourteen countries and territories, *The United States of War* demonstrates how US leaders across generations have locked the United States in a self-perpetuating system of permanent war by constructing the world's largest-ever collection of foreign military bases—a global matrix that has made offensive interventionist wars more likely. Beyond

exposing the profit-making desires, political interests, racism, and toxic masculinity underlying the country's relationship to war and empire, *The United States of War* shows how the long history of U.S. military expansion shapes our daily lives, from today's multi-trillion-dollar wars to the pervasiveness of violence and militarism in everyday U.S. life. The book concludes by confronting the catastrophic toll of American wars—which have left millions dead, wounded, and displaced—while offering proposals for how we can end the fighting.
