Everything You ' ll Need to Know Vol.40 Collecting Coins Lulu Press, Inc

This is a guide for people who buy and sell silver coins—on eBay, on other Internet websites, at coin shows or coin stores, or elsewhere. It is intended for those who buy or sell coins based on their investment value, rather than their design or scarcity. This book displays the bullion value of silver coins for every world nation and year of origin between 1800 and 2000. An alphabetical listings of countries and denominations (and sometimes a simple addition), shows the base value of any common silver coin. This is vital information, because many current coin guides have not recalculated bullion values, and continue to estimate coin value based on silver prices from a time when it was worth only a fraction of today's value.

2013 U. S. Coin Guide - History Grading and Coin Values House of Collectibles

The Large Print Edition of the Guide Book of United States Coins gives you all the content from the regular edition, shown 45% bigger! The Official Red Book(R)--A Guide Book of United States Coins--is 75 years young and going strong. Since 1946 collectors around the country have loved the book's grade-by-grade coin values, historical background, detailed specifications, high-resolution photographs, and accurate mintage data. How rare are your coins? How much are they worth? The 75th edition of the Red Book tells you, covering everything from early colonial copper tokens to hefty Old West silver dollars and dazzling gold coins. You'll find 32,500+ prices and auction records for nearly 8,000 coins, tokens, medals, sets, and other collectibles. You'll also round out your education in classic and modern commemoratives, Proof and Mint coins, error coins, Civil War tokens, Confederate coins, Philippine coins struck under U.S. sovereignty, private gold, all the latest National Park quarters, Native American dollars, American Innovation dollars, bullion coins (silver, gold, platinum, and palladium), and more.

The Official Blackbook Price Guide of U. S. Coins, 1994 Penguin

Welcome to the 2013 US Coin Guide History Grading and Internet Auction Values. The intent of this book is to provide the history, grading, and internet market/public auction coin values for modern day United States coins. All coin information is gathered by acquiring completed auction information from thousands of eBay and Heritage auctions. This book will give the buyer and seller the most accurate information for the value of coins. The rise in silver in the stock market has led to an upward value in all US silver coins. Since the market fluctuates with silver prices, it is difficult to present the value of common silver coins over the short term. Coin values for silver coins will need to be adjusted to the silver market price.
