U. S. Stamps

The most popular hobby in the world, stamp collecting has millions of fans in the United States alone. Many are adults who have turned a childhood interest in philately into a pleasurable (and often profitable) lifetime avocation. This volume has everything needed to start a personal stamp collection: Entries for nearly 200 countries; Spaces for more than 2,600 stamps; Over 1,100 black-and-white illustrations of stamps; Easy-to-use Stamp Identifier Table and Index. Clear instructions for using the album and the Stamp Identifier Table are included, along with many useful hints and tips on building a collection. An entertaining, inexpensive way to learn about faraway people and places, stamp collecting brings a sense of excitement and adventure with each new acquisition. This book offers would-be collectors that ticket to discovery.

The Philatelic Journal of America

The most comprehensive introduction and guide to collecting U.S. stamps ever written. It opens the hobby to a new generation of collectors, and serves as a treasured reference for established ones. This book, which supplements and transcends a catalog, provides the reader with a vast array of information about United States stamps, as well as many practical tips and suggestions for collecting them. There s over 300 years of American history carefully written and designed to appeal to collectors of all ages, and levels of interest. Kirk House Publishers is pleased to present this unique resource as a salute to these fascinating and highly collectible tiny pieces of paper and to the men and women who collect them.
