The Crossword Answer Book

McGraw-Hill Education

You don't have to be a crossword puzzle expert to enjoy solving easy puzzles or even more challenging ones. But when you sit down to work on any crossword grid, you'll likely enjoy yourself more if you keep these simple tips in mind. In this little book, I'll help you decode the clues that stop most of us from finishing our morning newspaper crossword puzzle. I'm talking about those crazy words you never seem to meet in the real world, but which turn up time and time again to ruin your morning solve. Don't worry. You won't forget them after you've seen them come to life in pictures, spent a few minutes reading their entertaining story, and browsed the typical crossword clues used to warn you that they may be lurking. But the obscure words you'll master in these colorful pages will prepare you for much more than crossword puzzles. You can use them to kick butt in Scrabble, Words With Friends, Lexulous, Text Twist, Spelling Bees, or a million other vocabulary games. Or, if you prefer, just intimidate your friends by casually sprinkling your dinner party conversations with words like

RIA, EMIR, and OGEE. Oh, and in case you're wondering about the book's title: 'Crossword Ease' is a play on the term 'Crosswordese', which is the in-house lingo used by crossword puzzle aficionados to describe obscure words that turn up repeatedly in crosswords.
