Servicing requirements include, but are not limited to: Minimum requirements for annual reviews of the physical and financial conditions of the property. Reporting requirements designed to keep the Agency informed of the loan performance and property condition. Minimum standards for special servicing for loans that are delinquent or in default.

USDA

USDA is responsible for providing a safety net for millions of Americans who are food-insecure and for developing and promoting dietary guidance based on scientific evidence. USDA works to increase food security and reduce hunger by providing children and low-income people access to food, a healthful diet and nutrition education in a way that supports American agriculture and inspires public ...

FSA provides programs and services that support the economic stability of American farmers, ranchers and rural landowners. The Agency works hard to ensure the American agriculture industry is solid by providing farmers and ranchers with financial capital, risk management assistance, and recovery support in times of economic distress or disaster.
