A behind-the-scenes look at Lexus 's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the

---

Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session

to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and

executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry. Malaysian Digest Capstone Book of the Honda 90 All Models Up to 1966 Including Trail Honda Mini Trail - Enthusiast's Guide Capstone . "Loonix and the Big Experiment" is about the crossing of paths of a kitten and an eccentric professor. Their initial encounter is chaotic and

---

frenzied, but it isn't long before the Professor begins to see their happenstance as destiny. It is a meeting of the most unexpected, and unwanted, of characters that quickly evolves into a relationship that fills both of their lives with joy, love, and excitement.....and lots of it! The kitten enters the Professor's life at the most inconvenient time, a time in which the Professor is hard at work on an experiment that could alter the course of humanity. The last thing he needs is a needy, mischievous kitten!Adventure

and excitement exist at every turn of their relationship, but as their relationship grows, so does the Professor's conviction that this little kitten arrived in his life for a reason. Just when you think things cannot get any more chaotic, the Professor's experiment leads him to the discovery of otherworldly travels and new dimensions, and a new chapter of heightened adventure begins. The story takes us on a journey of discovery, new worlds, and expeditions through unknown cosmic dimensions. More

importantly, however, Loonix and the Professor take us with them through these journeys, and the journey of the joining of their hearts!
