Used to indicate any paperback book that is larger than a mass-market paperback and is often more similar in size to a hardcover edition. The term "Trade Paperback" derives from the standard practice within the publishing trade of issuing a version of a hardback book in a less expensive form. Trade paperbacks are issued in the same size and format as a hardcover edition of the same book.

In comics, a trade paperback (shortened: TPB or trade) is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented (in comic book format), in a smaller " digest-sized " format, or a larger-than-original hardcover.
