What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are

looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in Your User's Manual. This refreshing collection not only gives the reader much sought after answers, but also provides the tools for finding purpose, and living an anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making Your User's Manual

a straightforward read in answering life's most pressing questions and recognizing what is truly important. iPhone Guide: The Simplified Manual for Kids and Adult Independently Published
