This guide helps you get started using Pages 10.3 on your Mac. To see the version of Pages on your Mac, choose Pages > About Pages (from the Pages menu at the top of your screen). To explore the Pages user guide, click Table of Contents at the top of the page, or enter a word or phrase in the search field.

**Manuals | HP® Customer Support**

A user guide, also commonly called a technical communication document or manual, is intended to give assistance to people using a particular system. It is usually written by a technical writer, although user guides are written by programmers, product or project managers, or other technical staff, particularly in smaller companies. User guides are most commonly associated with electronic goods, computer hardware and software, although they can be written for any product. Most user guides contain
