Earth's first interstellar mission ... An alien colony in ruins ... Their fight for survival has only just begun. Called "True Science Fiction" ... A must-read! When Jack Harrison climbed down the short ladder from the airlock and stepped onto the debris covered soil, the ground crackled with the sound of dried leaves and twigs. Warm sunlight shined through his helmet, making him almost forget the decade he just spent captaining Earth's first ship to another star system. The serene tropical surroundings, though, stood in stark contrast to the long abandoned structures that lay nearby. Evidence points to a massacre - the systematic extermination of an alien colony hundreds of millennia ahead of humanity. Time, however, has erased any trace of the attackers. Jack and his crew barely start probing the ruins before their curiosity betrays them as an abandoned alien device cuts them off from their main ship. Lost and short on supplies, survival soon becomes their only goal. Even their short-lived rescue by an alien race, who themselves are under siege, offers little hope. As they struggle to find a way home, signs begin pointing to a danger darker than any they could have foreseen. Jack knows that playing it safe may no longer be an option - but his only other choice is to confront a threat that they don't even begin to understand.

Life after his deployment with Army Special Forces was rough for Alex. His ex-wife thought he needed to stop disappointing their daughter, and she was right. He would try harder. With six hours before his little girl's fourth birthday party, he observed that the wall he'd been obsessing over in his basement was too short. Plenty of time to tear out a panel and look behind it. He found a brick wall. Behind that was another just like the first, and he still had time. When the second wall came down, Alex stood and stared at the shining doorway. Next to it, held up by a knife, was a note with a warning which he didn't heed. He is transported to a future unlike anything we've imagined, and Alex's fight to get back home becomes an epic struggle.
