The XS and XS Max User Guide

****Buy the Paperback and get the eBook version free****The iPhone XR, XS and XS Max were launched at same period each with its amazing features and beauty. While Apple used the LCD display on the iPhone XR, they quickly corrected this with the iPhone XS and XS Max that brought back the beautiful Super Retina HD display screen that current users are familiar with. With the launch of the iPhone XS Max came the introduction of the biggest screen ever seen in the iPhone series. With its 6.5 inches screen display, the iPhone XS Max has stood tall amongst its counterparts.

Apple also ensured that the phones come with an improved battery capacity from the iPhone X and XR. What more can a user ask for. Are you at the verge of upgrading your iPhone device or newly switching from android to iPhone and need to know which you should go for, whether the iPhone XS or the iPhone XS Max? Have you bought either of the iPhones and just need a simpler and all-encompassing guide to mastering and bonding with your new iPhone device? Are you a senior who just recently acquired or thinking of getting the iPhone XS or XS Max and need the steps broken down in simple to understand steps and instructions? Then this book is for you. You are about to commit a large sum of money to get this device or you may have acquired it already and you should be able to operate your device and perform every functions and tricks on the new device without spending hours trying to figure out how the smartphone works. I have taken time to go through all the features and tricks in the iPhone XS and iPhone XS Max to be able to come up with this book as a guide to a quicker and better experience. The iPhone XS and XS Max User Guide is that

complete guide you need to operate your iPhones seamlessly. This book would benefit beginners, first time iPhone users, seniors as well as users changing devices. In this book, you would find information you need to know about the iPhone starting from the physical features, to explaining buttons and terms that you need to know to better enjoy your device. It then goes into step by step teachings and guides on how to use the device starting from the basics. This includes steps on how to:

- Set up the device
