Our case study excludes community colleges and for-profit institutions. We wanted to

consider the schools American students generally attend and those are 4-year

institutions. 16 Around 70%, or 14 million, students attended 4-year colleges and

universities in 2018. 17 We also wanted to study universities whose reliance on

government funding impacts taxpayers the most.

Charlie @ 21: That's roughly the way I see things. Given that some form of technic civilization

survives the 21st century, the rest of the FAQ answers revolve around which institutions

survive the economic and social upheavals of the next couple of decades, which ones survive

but are massively changed, and which ones go into the hopper.

1. Introduction. At the center of Plato's shorter ethical works is the Apology of Socrates, which consists

of a speech purportedly given by Socrates at his trial, and is probably the closest of Plato's works to

the historical Socrates.The Apology is closely linked to two other works. The first is the Euthyphro,

which shows Socrates discussing reverence as he is about to report to court for ...
