I’m the type of girl who’s given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren’t for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there’s so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I’ve moved halfway across the country to be with, who’s laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. “Rich Boy takes you on a literal ride! Funny. Angry. There's mean rich people and people you root for. It's a definite recommend from me! –Tijan, New York Times bestselling author “Rich Boy was witty, exciting and had the most intense slow burn romance I’ve read in a long time. The complexity of the characters was refreshing and made me wish for more!”—Audrey Carlan, #1 New York Times bestselling author

10 Ways to control anger Editorial Norma
Lady Glory Brightley was dreading her sister's house party-until she discovers an early guest mired in a bog. She pulls the Earl of Keswick free-and then goes to great lengths to hide her limp from him. Is it too much to ask, just once, to be seen and treated as everyone else? Keswick has come to Gloucestershire to hide-from an overzealous debutante, from his father, perhaps even from himself. He bonds with Lady Glory as a fellow misfit-her limp is nothing compared to the wounds he hides. They pledge to see each other through the choppy waters of the party, but he never expected to be caught up by this sprite of a girl-with her quick wit, stunningly fine seat on a horse and giving heart. Not that he could ever pursue such inclinations. For no true lady could want a man with his reputation and entanglements. Who could love a man who is nothing but a rakehell? He's about to find out.

An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there’s the chance for some heroics, the reality is very different. Kemp’s war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.
