*Studying Public Policy* Wildside Press LLC

*Studying Public Policy* organizes an impressive number of contributions—nineteen in all—from diverse scholars all

around the world to bring to life the realities of policy making. The contributors use international case studies to demonstrate the challenges of public policy implementation and measurements of its success. Linked throughout by substantive commentary from editor Michael Hill, a leading author in the field, the book is divided into five sections, each covering a different aspect of the policy-making process: stability and change,

agenda setting, policy formulation, implementation and governance, and globalism. Altogether these sections provide readers with a host of tools for understanding policy making as it actually happens. *A Novel* Amazon Crossing

love story as perilous as it is unforgettable. It's been months since Aria last saw Perry. Months since Perry was named Blood Lord of the Tides, and Aria was charged with an impossible mission. Now, finally, they are about to be reunited. But their reunion is far from perfect. The Tides don't take kindly to Aria, a former Dweller. And with the worsening Aether storms threatening the tribe's precarious existence, Aria begins to fear that leaving Perry behind might be the only way to save them both. Threatened by false friends and powerful temptations, Aria and Perry wonder, Can their love survive through the ever night?

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match-both on and off the page-but revealing their secret feelings means risking their friendship and betraying the people they love most. Can

they find the courage to admit their love for each other and chase their long-held dreams?

The moving story of her own search for God by the highly-acclaimed author of the bestselling *A History of God: The 4,000-Year Quest of Judaism, Christianity and Islam*; *The Battle for God: A History of Fundamentalism*; and *Islam: A Short History*. In 1969, after seven years as a Roman Catholic nun -- hoping, but ultimately failing, to find God -- Armstrong left her convent. She knew almost nothing of the changed world she was entering, and she was tormented by panic attacks and inexplicable seizures. Her struggle against despair was fueled by a string of discouragements -- failed spirituality, doctorate and jobs, fruitless dealings with psychiatrists -- but finally, in 1976, she was diagnosed with epilepsy and given proper treatment. She then began the writing career that would become her true calling, and as she focused on the sacred texts of Judaism, Christianity and Islam, her own true inner story began to emerge. She would come to experience brief moments of transcendence through her work -- the profound fulfillment that she had not found in the long hours of prayer as a young nun. Powerfully engaging, often heart-breaking, but

Vivid, bawdy, comic, and arresting, the exciting new novel by the Indonesian phenomenon, Eka Kurniawan *Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash* is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman by two policemen. Deeply traumatized, he becomes impotent. His efforts to get his virility back all fail, and Ajo Kawir turns to fighting as a way to vent his frustrations. He gets such a fearsome reputation as a brawler that he is hired to kill a thug named The Tiger, but instead

Ajo Kawir falls in love with Iteung, a gorgeous female bodyguard who works for the local mafia. Alas, the course of true love never did run smooth... Fast-forward a decade. Now a truck driver, Ajo Kawir has reached a new equanimity, thinking that his penis may be trying to teach him a lesson and even consulting it in many situations as if it were his guru—love may yet triumph. *Vengeance Is Mine, All Others Pay Cash* shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent male world dominated by petty criminals and a corrupt police state.

There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, *Copkiller*, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where *Copkiller IV* is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?

In Ben Sanders's *American Blood*, a former undercover cop now in witness protection finds himself pulled into the search for a missing woman; film rights sold to Warner Bros with Bradley Cooper attached to star and produce. After a botched undercover operation, ex-NYPD officer Marshall Grade is living in witness protection in

---

Santa Fe, New Mexico. Marshall's instructions are to keep a low profile: the mob wants him dead, and a contract killer known as the Dallas Man has been hired to track him down. Racked with guilt over wrongs committed during his undercover work, and seeking atonement, Marshall investigates the disappearance of a local woman named Alyce Ray. Members of a drug ring seem to hold clues to Ray's whereabouts, but hunting traffickers is no quiet task. Word of Marshall's efforts spreads, and soon the worst elements of his former life, including the Dallas Man, are coming for him. Written by a rising New Zealand star who has been described as "first rate," this American debut drops a Jack Reacher-like hero into the landscape of *No Country for Old Men*.

This gothic, gory novel—the third book in the Printz Honor – winning *Monstrumologist* series—is “articulately literary, horrifically grotesque, and mind-bendingly complex” (Kirkus Reviews). When Dr. Warthrop goes hunting for the “Holy Grail of *Monstrumology*” with his eager new assistant, Arkwright, he leaves Will Henry in Victorian New York. Finally, Will can enjoy something that always seemed out of reach: a normal life with a real family. But part of Will can’t let go of Dr. Warthrop, and when Arkwright returns, claiming that the doctor is dead, Will is devastated—and not convinced. Determined to discover the truth, Will travels to London, knowing that if he succeeds, he will be plunging into depths of horror worse than anything he has experienced so far. His journey takes him to Socotra, the Isle of Blood, where human beings are used to make nests and blood rains from the sky—and puts Will Henry’s loyalty to the ultimate test.

A page-turning narrative about Marissa Mayer's efforts to remake Yahoo as well as her own rise from Stanford University undergrad to CEO of a

\$30 billion corporation by the age of 38. When Yahoo hired star Google executive Mayer to be its CEO in 2012 employees rejoiced. They put posters on the walls throughout Yahoo's California headquarters. On them there was Mayer's face and one word: HOPE. But one year later, Mayer sat in front of those same employees in a huge cafeteria on Yahoo's campus and took the beating of her life. Her hair wet and her tone defensive, Mayer read and answered a series of employee-posed questions challenging the basic elements of her plan. There was anger in the room and, behind it, a question: Was Mayer actually going to be able to do this thing? *MARISSA MAYER AND THE FIGHT TO SAVE YAHOO!* is the inside story of how Yahoo got into such awful shape in the first place, Marissa Mayer's controversial rise at Google, and her desperate fight to save an Internet icon. In August 2011 hedge fund billionaire Daniel Loeb took a long look at Yahoo and decided to go to war with its management and board of directors. Loeb then bought a 5% stake and began a shareholder activist campaign that would cost the jobs of three CEOs before he finally settled on Google's golden girl Mayer to unlock the value lurking in the company. As Mayer began to remake Yahoo from a content company to a tech company, an internal civil war erupted. In author Nicholas Carlson's capable hands, this riveting book captures Mayer's rise and Yahoo's missteps as a dramatic illustration of what it takes to grab the brass ring in Silicon Valley. And it reveals whether it is possible for a big lumbering tech company to stay relevant in today's

Ever since legwarmers were cool, best friends Tara, Katherine, and Fintan have survived small-town ennui, big-city heartbreak, and endless giddy nights out on the town. But now that they've graduated to their slightly more serious thirties, only Fintan has what can honestly be called a "love life." With Tara struggling daily with her eternal diet—and her dreadful, penny-pinching boyfriend—and Katherine keeping her single existence as organized as her drawer full of matching bra and panty sets, it seems they'll never locate the exit door out of the "last chance saloon." But it's always when you are least ready for change

that fate insists on one. And when catastrophe inevitably follows crisis, the lives of three best friends are sure to change in unexpected ways ... and not necessarily for the worse. You devoured the hilarious antics of Claire in Watermelon. You laughed 'til you cried in Lucy Sullivan Is Getting Married. You took a vacation gone mad in Rachel's Holiday. You flew away with Margaret—good girl gone bad—in Angels. You got a peek inside the cutthroat world of women's fashion magazines in Sushi for Beginners. Now, raise your glass to Tara, Katherine, and Fintan in Last Chance Saloon.
