A Writer's Craft

This introductory creative writing text uses a unique, multi-genre approach to provide students with a broad-based knowledge of their craft, treating them as professional writers. Beginning by discussing elements common to all genres, this book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre

expectations and learn from other forms. The book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each chapter, a glossary of literary terms, and a list of resources for further study, A

Writer's Craft is the ideal companion to an introductory creative writing class. It has been listed as one of the 'Best Books for Writers' by Poets and Writers magazine.

Time Capsules

Time Capsule is Kendall Dunkelberg's second full length collection of poetry. In it he explores themes of love, marriage, and fatherhood against the backdrop of contemporary American life, ranging from his childhood home in Iowa to Mississippi, where he has lived for the past fifteen years. Cross-country travel to Massachusetts, New Mexico, Alabama, and Georgia, as well as a honeymoon in Spain, also informs his vision. These poems traverse myth and

memory through cycles of
nature and culture, life and
death, to arrive at a tranquil,
if tenuous, sense of
equilibrium.
