OIT Design Guide
-Design Guide. At
VA's Office of
Information and
Technology (OIT),
our four core
principles lay the
foundation of our
culture:
transparency,
accountability,

innovation, and teamwork. The way we express these principles through design creates a positive, memorable impression of our brand – a world-class IT organization that keeps the Veteran at the core of all we do.

Va Design Guidelines

Va Design Guidelines The design contractor is responsible for the design of VA research laboratory and VMU facilities, and any conflicts between standards must be clarified through the project PM/SRE. Note: PG-18-10 VA Design Manuals must continue to be used for design and engineering guidance.
