The Faithful and the Fallen Series by John Gwynne

Valor (or Valour, depending on which copy you end up with) is book two of The Faithful and the Fallen and sequel to Malice. While I thought that Malice was an absolutely incredible debut, Valor did nothing but improve upon an already fantastic story.

Valor The Faithful And Fallen 2 John Gwynne

The second in The Faithful and the Fallen series, Valour by John Gwynne carries all of the excitement of the first. The Banished Lands are torn by war as the army of High King Nathair sweeps the realm challenging all who oppose his holy crusade. Allied with

the manipulative Queen Rhin of Cambren, there are few who can stand against him.

thought they were little more than faery stories told
to keep children in their cots at night.

Without a doubt, Valor has sealed that feeling for me. This book was an incredible second installment and is one of the best follow-up books I've ever read.
