A good source for engine specifications and
technical servicing information would be a Briggs &
Stratton Repair Manual (Lookup Manual by
Engine Model). The correct Repair Manual for
your model engine is often listed in your engine's
Illustrated Parts List. Repair Manuals are available
for purchase through our web site or authorized
dealer.

that the parts and components for the driveline are,
for the most part, borrowed from the go kart
market. So if you build these Briggs engines, you
can market in both the junior drag and karting
performance arenas. Another offshoot is the new
Bandolero full-bodied spec car program which
seems to be patterned after the successful legend
cars.
