MotorBoating

From the first internal combustion engine installation and the craft that took troops ashore on D-Day to the mid-1920s boom in recreational motorboating and beyond, this narrative presents a flawless history of the marine engine field. With an alphabetical listing of approximately 1,000 engine companies in the U.S. and Canada, this in-depth portrait also includes detailed information about founders and products, advice on the most desirable engines, tips on identifying unknown engines, and

suggestions for independent research.

The Municipal Journal

This new edition of Loffler's extensively researched original book about the history of the first two Holden models includes stories never told before, photographs never published, and a wealth of technical information. Lay readers and holden buffs alike will enjoy the 375 period photos and the wealth of information about one of the most significant periods in Australian motoring history. Includes 6 new chapters, and 100 new photos never published before.
