*How to Change the Oil  
in a Briggs &  
Stratton Vanguard  
18HP ...*  
The 18-HP Vanguard  
Briggs and Stratton  
engine features a  
full-pressurized  
lubrication system.  
The oil in any engine  
acts as the lubricant  
to cool the internal  
moving components; as  
the oil ages from  
hours of use and heat  
from the engine, the  
oil's viscosity  
starts to break down.
