Vaughan Williams gives to the accentuation of syllables and an attempt to reach as closely as possible the natural rhythms of speech. It would be possible to speak the words of the beginning of the first song using Vaughan Williams' rhythms and it would sound perfectly natural. Texture Vaughan Williams constantly varies the textures.

Vaughan Williams's music is often described as visionary; Kennedy cites the masque Job and the Fifth and Ninth Symphonies. Vaughan Williams's output was prolific and wide-ranging. For the voice he composed songs, operas, and choral works ranging from simpler pieces suitable for amateurs to demanding works for professional choruses.
