Children of the Dust

University of Toronto Press

The first and one of the finest Latin poets of Anglo-Saxon England, the seventh-century bishop Saint Aldhelm can justly be called “Britain’s first man of letters.” Among his many influential poetic texts were the hundred riddles that made up his *Aenigmata*. In *Saint Aldhelm’s Riddles*, A.M. Juster offers the first verse translation of this text in almost a century, capturing the wit, warmth, and wonder of the first English riddle collection. One of today’s finest formalist poets, A.M. Juster brings the same exquisite care to this volume as to his translations of Horace (“The best edition available of the *Satires* in English”

–Choice), Tibullus (“An

excellent new translation” –The *Guardian*), and Petrarch.

Juster’s translation is complemented by a newly edited version of the Latin text and by the first scholarly commentary on the *Aenigmata*, the result of exhaustive interdisciplinary research into the text’s historical, literary, and philological context. *Saint Aldhelm’s Riddles* will be essential for scholars and a treasure for lovers of Tolkien, *Beowulf*, and Harry Potter.

The Night of the Gods Litres Born at the turn of the 21st century, *The Storyteller*, also known as *Ishkwegaabawiikwe* (Last Standing Woman), carries her people’s past within her memories. The White Earth Anishinaabe people have lived on the same land for over a thousand years. Among the towering white pines and rolling hills, the people of each generation are born, live out their lives, and are buried.

The arrival of European

missionaries changes the community forever. Government policies begin to rob the people of their land, piece by piece. Missionaries and Indian agents work to outlaw ceremonies the Anishinaabeg have practised for centuries. Grave-robbing anthropologists dig up ancestors and whisk them away to museums as artifacts. Logging operations destroy traditional sources of food, pushing the White Earth people to the brink of starvation. Battling addiction, violence, and corruption, each member of White Earth must find their own path of resistance as they struggle to reclaim stewardship of their land, bring their ancestors home, and stay connected to their culture and to each other. In this highly anticipated 25th anniversary edition of her debut novel, Winona LaDuke weaves a nonlinear narrative of struggle and triumph, resistance and resilience, spanning seven generations from the 1800s to the early

2000s.

100 Greatest Cycling Climbs McClelland & Stewart

By providing a much-needed grammar review, along with a variety of readings that will suit the tastes of many different teaching preferences, this textbook will help students make the transition from beginning Latin to the intermediate level. The book is filled with exercises and a balance of prose and verse readings organized around five topics. After using College Latin, students will be reacquainted with all the major Latin grammar and able to hold their own in

the "authors courses" that make up most intermediate Latin curriculums.

Based on a true event, CASPION

takes you on a singular quest, both heroic and tragic, through the great buffalo hunt and the vanquishing of the Plains Indians

(1871-1876). Riding the crest of the bloody tide is Jim Caspion, a Civil War veteran turned buffalo hunter, a man of notable conscience and courage, ever haunted by the war,

yet fleeing
settlement and
routine,
forswearing the
practicable for the
exotic, the
forbidden, and the
extreme. From the
opening pages when
he rides into a
buffalo stampede to
escape a band of
Cheyenne, to the
very end, his fate
is inexorably tied
to the white
buffalo he spies in
his harrowing
flight. Thereafter
its spiritual
aspect exerts a
growing influence
over his own wry,
sensual nature,
altering his
outlook,
determining his
path. When he meets

Moneva, a Cheyenne
outcast, their love
saga marks another
verse in the
enduring myth of
the West that still
shapes and sustains
us.

Everyone wants to be happy, but not everyone knows how to be happy. People often seek happiness in personal relationships, careers, and material possessions, not realizing that true happiness comes from within. This book will show readers how to nurture their inner joy and share it with others. It will show them how to handle the challenges of life with humor and courage. They will learn to trust their own instincts and allow themselves to be happy and content.

and the locked world of their fathers before them, they rush towards the climax of their youth: a magical weekend in Manchester, the epicentre of everything that inspires them in working-class Britain. There, against the greatest soundtrack ever recorded, a vow is made: to go at life differently. Thirty years on, half a life away, the phone rings. Tully has news--news that forces the life-long friends to confront their own mortality head-on. What follows is an

incredibly moving examination of the responsibilities and obligations we have to those we love. *Mayflies* is at once a finely-tuned drama about the delicacy and impermanence of human connection and an urgent inquiry into some of the most important questions of all: Who are we? What do we owe to our friends? And what does it mean to love another person amidst tragedy? *Happiness Awaits You!* Frances Lincoln This work has been selected by scholars as being culturally important, and is

Latin

The Greek & Latin Roots of English approaches the study of Latin and Greek thematically: vocabulary is organized into various topics, from politics to philosophy, with chapters featuring cumulative exercises and notes to help students learn the pleasures (and

pitfalls) of language study. The fifth edition features revised exercises, alphabetical vocabulary lists, and more.

English-Latin Dictionary; Or, Dictionary of the Latin Tongue
