I am considering a samsung reality as my first text messaging and limited email checking type phone. I have a work computer that accesses home email and computer at home, but I am still afraid that I will go over the 25 mb min with the 9.99 plan. Can anyone tell me if they are using the 9.99 a month with the Reality and it "works" for them monthly.

The email program is setup through the free Google Apps mail program. This shouldn't be a problem, because according to the Verizon FAQ on Mobile Email, I should be able to do a manual setup and plug in the correct pop settings. However, for the life of me, I cannot find the "manual setup" anywhere in the Mobile Email settings. Is it even there?
