Written by a professional dog whisperer and dog owner, the Bordoodle Complete Owner's Manual has the answers you may need when researching this hybrid dog that is half Border Collie and half Poodle. Learn about this highly intelligent, and energetic dog that would be

a good companion for the very active outdoors person and find out whether this interesting hybrid dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Bordoodle's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about

whether or not this dog is the breed for you. If you already have a Bordoodle, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the

west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing

the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

With the iOS 6 software and the new iPhone 5, Apple has two world-class hits on its hands. This

sleek, highly refined pocket computer comes with everything—cellphone, iPod, Internet, camcorder—except a printed manual. Fortunately, David Pogue is back with this expanded edition of his witty, full-color guide: the world's most popular iPhone book. The important stuff you need to know: The iPhone 5. This book unearths all the secrets of the newest

iPhone. Taller screen, faster chip, 4G LTE Internet, thinner than ever. The iOS 6 software. Older iPhones gain Do Not Disturb, the new Maps app, shared Photo Streams, camera panoramas, smarter Siri, and about 197 more new features. It's all here. The apps. That catalog of 750,000 add-on programs makes the iPhone's phone features almost secondary. Now you'll

know how to find, manage, and exploit those apps. The iPhone may be the world's coolest computer, but it's still a computer, with all of a computer's complexities. iPhone: The Missing Manual is a funny, gorgeously illustrated guide to the tips, shortcuts, and workarounds that will turn you, too, into an iPhone addict.

Palm Pre: The Missing

Manual McGraw Hill Professional
With the proven formula that EMOTIONS ARE THE POWER BEHIND our thoughts and actions, comes on the heels of the highly recognized self-help DVD titled The Secret by Rhonda Byrne that proclaims thoughts are our power, as opposed to the emphasis being on that of emotions. The Secret along with many other notable self-help books are

helping a lot of people and yet, according to Neil Fiore, PhD, a Berkeley, Calif.-based psychologist "It can cause people greater stress by worrying if they're causing cancer by having the wrong thoughts and emotions." Karen LaVoie, author of Life ABSOLUTES agrees with the aforementioned statement. This is one of the factors that sets her book apart from other self-help books. Life ABSOLUTES gives the complete formula for life to everyone willing to apply it, and live it life long commitment. What this book offers is not a quick fix solution or sweep your emotions, thoughts or troubles under the carpet and pretend they do not exist. Instead, it gives the reader the ability to powerfully and quickly acknowledge them, gain greater wisdom from every life situation, by finding the postive in the situation while turning it into an opportunity for mastery. This program is about accountability and taking charge once and for all how one chooses to react to persons, places, situations, things and opportunities, eventually removing them permanently from

their life. The corner and or attracting a bible you use as your

Whether your needs are business or pleasure, this handy guide will have you fully utilizing all of the expanded features and capabilities of your Windows Mobile device.

iPhone "O'Reilly Media, Inc." "Exposes the shameful fact that most Americans are forced to check

their civil liberties—and especially their freedom of speech—at the workplace door.”
—Barbara Ehrenreich, New York Times- bestselling author
A factory worker is fired because her boss disagrees with her political bumper sticker. A stockbroker feels pressure to resign from an employer

who disapproves of his off-hours political advocacy. A flight attendant is grounded because her airline doesn't like what she's writing in her personal blog. Is it legal to fire people for speech that makes employers uncomfortable, even if the content has little or nothing to do with their job or workplace?

For most American workers, the alarming answer is yes. In *Speechless*, Bruce Barry argues that a toxic combination of law, conventional economic wisdom, and accepted managerial practice has created an American workplace in which freedom of speech—that most crucial of civil liberties in a healthy

democracy—is something you do after work, on your own time, and even then (for many), only if your employer approves. Barry proposes changes both to the law and to management practice that would expand employees' expressive rights without jeopardizing the legitimate interests of

employers. In defense of freer speech in and around the workplace, Barry argues that a healthy democracy depends in part on the experience of liberty at work. Workplaces are key venues for shared experience and public discourse, so workplace speech rights matter deeply for advancing

citizenship, community, and democracy in a free society. "Eye-opening for anyone who has a job. Big Brother isn't just a figment of the imagination."
-Foreword Reviews
