The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what

everyone else does. Sinek calls this powerful idea **The Golden Circle**, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with **WHY**.

In time for the 50th anniversary of President Nixon's epic trips to China and Russia, as well as his incredible Watergate

downfall, the man who was at his side for a decade as his aide and White House Deputy takes readers inside the life and administration of Richard Nixon. From Richard Nixon's "You-won't-have-Nixon-to-kick-around-anymore" 1962 gubernatorial campaign through his world-changing trips to China and the Soviet Union and epic downfall, Dwight Chapin was by his side. As his personal aide and then Deputy Assistant in the White House Chapin was with him in his most private and most public moments. He traveled with him, assisted, advised, strategized, campaigned and learned from America's most controversial president. As Bob Haldeman's protege, Chapin worked with Henry Kissinger in opening China—then eventually went to prison for Watergate although he had no involvement in it. In this memoir Chapin takes readers on an extraordinary historic journey; presenting an insider's view of America's most enigmatic President. Chapin will relate his memorable experiences with the people who shaped the future: Henry Kissinger, his close friend Bob Haldeman, Choi En-lai, Pat Nixon, the embittered Spiro Agnew, J. Edgar Hoover, Frank Sinatra, Mark "Deep Throat"

Felt, young and ambitious Roger Ailes, and John Dean.
