The Bullying Workbook for Teens John Wiley & Sons

"Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives," says Cheryl Richardson, the New York Times bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book -- her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls "the unmistakable touch of grace" -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. *The Unmistakable Touch of Grace* helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete.

Telemedicine in the ICU Independently Published

This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her

parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

RV Hacks Penguin

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always

dreamed of.
