Derek Blasberg is a man with a mission - smack some class (without losing all the sass) into the modern, young female. From bad table manners,

to the twisted online world, he gives tips, advice, and personal anecdotes to what makes a lady and stamps clearly the behaviour of a tramp. At least, that's what he aimed to do.

...

*Very Classy* by Derek Blasberg. However, I read *Very Classy* from beginning to end and plan to use the end sections again on artists, fictional characters, films, documentaries, plays, and poetry to know because I love to learn. I didn't realize that this was "Classy" with a few additional chapters.
