Young readers will delight in the five animal friends' misadventures and be eager to help make things "all better" with the five reusable and repositionable stickers.

100 First Things That Go St. Martin's Press

- A New York Times and USA Today bestseller - Book of the Month Club 2016 Book of the Year - Second Place Goodreads Best Fiction of 2016 A beautiful and provocative love story between two unlikely people and the hard-won relationship that elevates them above the Midwestern meth lab backdrop of their lives. As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. A powerful novel you won't soon forget, Bryn Greenwood's All the Ugly and Wonderful Things challenges all we know and believe about love. 31 Books Bringing the Heat this Summer —Bustle Top Ten Hottest Reads of 2016 —New York Daily News Best Books of 2016 —St. Louis Post Dispatch

My First Book about Our World Usborne Books

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, The Book of Hidden Things, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Faces Harper Collins

Exploring sports event management from a Caribbean, small island developing state perspective, the volume uses the events of the recently held Cricket World Cup 2007 (CWC 2007) as a launching pad for identifying best practices and the way forward. The CWC 2007 was the first time in any sport, a World Cup was staged in nine independent countries. None of the Caribbean territories hosting a match has a population larger than Jamaica's 3.4 million; most have less than quarter of a million people; economies are small and infrastructure limited. The hosting of this event produced significant lessons that the region and the world can learn from concerning sports event management.

Things I Should Have Known National Geographic Books

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," The Book of Strange New Things is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their “book of strange new things.” But Peter is rattled when Bea’s letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea’s faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made The Crimson Petal and the White such an international success, The Book of Strange New Things is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

My First Word Book about Things That Go HarperCollins UK

“More a love story about sisterhood than romantic, it’s a story that will illuminate what it’s like to live an ordinary teenage life when you have autism.”—Bustle An unforgettable story about autism, sisterhood, and first love that’s perfect for fans of Jenny Han, Sophie Kinsella, and Sarah Dessen. New York Times bestselling author of Tell Me Three Things Julie Buxbaum raved: “I couldn’t put it down.” Meet Chloe Mitchell, a popular Los Angeles girl who’s decided that her older sister, Ivy, who’s on the autism spectrum, could use a boyfriend. Chloe already has someone in mind: Ethan Fields, a sweet, movie-obsessed boy from Ivy’s special needs class. Chloe would like to ignore Ethan’s brother, David, but she can’t—Ivy and Ethan aren’t comfortable going out on their own so Chloe and David have to tag along. Soon Chloe, Ivy, David, and Ethan form a quirky and wholly lovable circle. And as the group bonds over frozen yogurt dates and movie nights, Chloe is forced to confront her own romantic choices—and the realization that it's okay to be a different kind of normal. “LaZebnik hits it out of the park . . . Never resorting to stereotype, she depicts appealing, three-dimensional characters who flesh out a narrative that is compassionate, tender, funny, and wise all at once. This insightful, well-written story will entertain readers while inspiring meaningful empathy.”—Booklist (starred review) “Writing with honesty and wit, LaZebnik offers a thought-provoking portrayal of how people can come together despite, or perhaps because of, their differences.”—Publishers Weekly “Chloe and her sister are so authentically portrayed, they nearly leap off the page.”—School Library Journal
