Helps readers move beyond the wounds and baggage of bitterness, disagreements, and broken relationships. "True or false: most Christian pastors and counselors agree on what forgiveness is and how it should take place." This question is part of Chris Brauns's Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness. The truth is, pastors and counselors disagree profoundly on this subject. Unpacking Forgiveness combines sound theological thinking and honesty about the complicated questions many face to provide readers with a solid understanding of biblical forgiveness. Only God's Word can unpack forgiveness. The wounds are too deep for us to find healing on our own, and the questions are too complex to be unraveled by anything but the wisdom of God. This book goes beyond a feel-good doctrine of automatic forgiveness, balancing the beauty of God's grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice.

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?
