“Vessel” by Andrew J.
Morgan, audiobook narrated
by Victor Bevine, appears to
be a blending of various
genres and sub genres such as:
science fiction, first contact,
detective procedural, and
government conspiracy in a
single well-written action-
packed thriller. The book
includes aliens, life, death, and
a little bit of romance along
the way. There were a few
intense periods and a few ...

Andrew comments in the second edition why he wrote what he wrote in the first edition. E.g. He wrote that there were three reasons a person might bluff and he goes on to write that "Edition two (or three) kills the third reason, and here is why.." and then it trails on and seems to segue from other

more germane points... It would make the read easier to get through if he doesn't argue often ...

Vessel is an ambitious story, which at times suffered from either a lack of planning or guess work when it came to research. Andrew creates a good foundation of realism in order to make the fantastical elements believable. I didn't enjoy the initial introduction to the abbreviations and jargon, especially in the opening scenes. It would have ...

Vessel eBook: Morgan, Andrew J.:

Amazon.co.uk: Kindle Store

The story, Vessel, by author Andrew J.

Morgan, is a decent sci-fi read, if a bit slow. Most of the story involves building mystery and suspense where there is none (there is an extremely slow political/personal-problem reveal going on), while the object of the story--the alien vessel--is mostly ignored. This reviewer only got the occasional glimpse of the craft from an International Space ...
