Winegard RV Antennas Exterior Parts for sale | eBay
VHF and UHF Signals – Check the antenna description very carefully. Some antennas can only pick up the VHF channels or only the UHF channels, but they cannot pick up both. You would want to go for an RV antenna that can pick up both channels so you can receive all the DTV signals coming from the surrounding areas’ stations.
VHF UHF Antenna - Caravan Parts
The best RV digital TV antenna can pick up both UHF (channels 14 to 51) as well as VHF (channels 2 to 13). Some antennas can pick up one or the other but not both. Top Brands
