Many of the classic questions of philosophy have been raised, illuminated, and addressed in celluloid. In this Third Edition of Philosophy through Film, Mary M. Litch teams up with a new co-author, Amy Karofsky, to show readers how to watch films with a sharp eye for their philosophical content. Together, the authors help students become familiar with key topics in all of the major areas in Western philosophy and master the techniques of philosophical argumentation. The perfect size and scope for a first course in philosophy, the book assumes no prior knowledge of philosophy. It is an excellent teaching resource and learning tool, introducing students to key topics and figures in philosophy through thematic chapters, each of which is linked to one or more "focus films" that illustrate a philosophical problem or topic. Revised and expanded, the Third Edition features: A completely revised chapter on "Relativism," now re-titled "Truth" with coverage of the correspondence theory, the pragmatist theory, and the coherence theory. The addition of four new focus films: Inception, Moon, Gone Baby Gone, God on Trial. Revisions to the General Introduction that include a discussion of critical reasoning. Revisions to the primary readings to better meet the needs of instructors and students, including the addition of three new primary readings: excerpts from Bertrand Russell ' s The Problems of Philosophy, from William James ' Pragmatism: A New Way for Some Old Ways of Thinking, and from J. L. Mackie ' s "Evil and Omnipotence". Updates and expansion to the companion website, including a much expanded list of films relevant to the various subfields of philosophy. Films examined in depth include: Hilary and Jackie The Matrix Inception Memento Moon I, Robot Minority Report Crimes and Misdemeanors Gone Baby Gone Antz Equilibrium The Seventh Seal God on Trial Leaving Las Vegas

Locked church doors and tossed rotten eggs greeted the faithful and patient Charles Simeon in his early years as a pastor. But in humility and simple power he was allowed by God to triumph. He became, as John R.W. Stott notes, "one of the greatest and most persuasive preachers the Church of England has ever known." Why did he have such an impact? You'll discover the reasons yourself as you read these clearflowing sermons, rich in content and clean in style. Shining through his words are Simeon's simple devotion to pure biblical truth, his concise and orderly presentation, and his pastor's mind and heart. James Houston's editorial preface is an instructive guide to Simeon's sound homiletical principles, while Stott's introduction is an engaging portrait of Simeon as a servant of God. Surveying his long life (1758-1836) and fruitful ministry, Stott is especially impressed by Simeon's refreshing, unaffected humility, and writes, "Our proud, self-confident, self-congratulatory generation urgently needs to recover this biblical perspective." Dr. James M. Houston, editor of the CLASSICS OF FAITH AND DEVOTION SERIES, is a highly acclaimed scholar and pioneer in the field of evangelical spirituality. He came to North America from England in 1968 to lead Regent College in Vancouver, Canada, an international graduate school of Christian studies.
