In a work of extraordinary narrative power, filled with brilliant

personalities and vivid scenes of dramatic action, Robert K. Massie, the Pulitzer Prize – winning author of *Peter the Great*, *Nicholas and Alexandra*, and *Dreadnought*, elevates to its proper historical importance the role of sea power in the winning of the Great War. The predominant image of this first world war is of mud and trenches, barbed wire, machine guns, poison gas, and slaughter. A generation of European manhood was massacred, and a wound was inflicted on European civilization that

required the remainder of the twentieth century to heal. But with all its sacrifice, trench warfare did not win the war for one side or lose it for the other. Over the course of four years, the lines on the Western Front moved scarcely at all; attempts to break through led only to the lengthening of the already unbearably long casualty lists. For the true story of military upheaval, we must look to the sea. On the eve of the war in August 1914, Great Britain and Germany possessed the two greatest navies the world had ever seen.

When war came, these two fleets of dreadnoughts—gigantic floating castles of steel able to hurl massive shells at an enemy miles away—were ready to test their terrible power against each other. Their struggles took place in the North Sea and the Pacific, at the Falkland Islands and the Dardanelles. They reached their climax when Germany, suffocated by an implacable naval blockade, decided to strike against the British ring of steel. The result was Jutland, a titanic clash of fifty-eight dreadnoughts,

each the home of a thousand men. When the German High Seas Fleet retreated, the kaiser unleashed unrestricted U-boat warfare, which, in its indiscriminate violence, brought a reluctant America into the war. In this way, the German effort to “seize the trident” by defeating the British navy led to the fall of the German empire. Ultimately, the distinguishing feature of *Castles of Steel* is the author himself. The knowledge, understanding, and literary power Massie brings to this story are unparalleled. His portrayals of

Winston Churchill, the British admirals Fisher, Jellicoe, and Beatty, and the Germans Scheer, Hipper, and Tirpitz are stunning in their veracity and artistry. *Castles of Steel* is about war at sea, leadership and command, courage, genius, and folly. All these elements are given magnificent scope by Robert K. Massie’s special and widely hailed literary mastery. **BONUS:** This edition contains an excerpt from Robert K. Massie’s *Catherine the Great*. [Castles of Steel](#) Univ

lives... Two sisters
face battles in life
and love amongst
the ever-present
threat of war in
Judith Lennox's
unforgettable
historical novel,
Catching the Tide.
Perfect for fans of
Santa Montefiore
and Kate Morton.
1933. Tessa and
Frederica Nicolson
enjoy one last idyllic
summer at the
beautiful Villa
Millefiore,
overlooking
Florence. Four years
later, Italy is a distant
memory and Tessa is
revelling in the
glamour and
excitement of
modelling in
London, until a

passionate affair with
married author Milo
Rycroft leads to
tragic consequences.
Tessa returns to
Florence, and,
missing her sister
desperately, Freddie,
too, travels to Italy,
where she is swept up
in adventure, danger
and romance, and
makes a chance
encounter that will
change her life. With
the outbreak of
World War Two,
Tessa and Freddie
must fight for their
own survival and
happiness, while they
wonder whether they
will ever see each
other again... What
readers are saying
about Catching the
Tide: 'Ideal escapism'
'This beautifully
written book has an
overarching theme of

love and loss, and
expertly captures the
hedonistic
atmosphere of pre-
war WW2 London
and Europe'
'Wonderful story, I
couldn't put the
book down!'

Practicing Biology Greenwood Publishing Group In The Revised Fundamentals of Caregiving (releasing June 24, 2016 as a Netflix Original Film

titled The Fundamentals of Caregiving, starring Paul Rudd and Selena Gomez), Jonathan Evison, author of the new novel This Is Your Life, Harriet Chance! and the New York Times bestseller West of Here, has crafted a novel of the heart, a story of unlikely heroes in a grand American landscape. For Ben Benjamin, all has been lost--his wife, his family, his home, his livelihood. Hoping to find a new direction, he enrolls in a night class called The Fundamentals of Caregiving, where he will learn to take care of people with disabilities. He is instructed about professionalism, about how to keep an emotional distance between client and provider, and about

the art of inserting catheters while avoiding liability. But when Ben is assigned his first client--a tyrannical nineteen-year-old boy named Trevor, who is in the advanced stages of Duchenne muscular dystrophy--he soon discovers that the endless service checklists have done nothing to prepare him for the reality of caring for a fiercely stubborn, sexually frustrated teenager who has an ax to grind with the whole world. Over time, the relationship between Ben and Trev, which had begun with mutual misgivings, evolves into a close friendship, and the traditional boundaries between patient and caregiver begin to blur. The bond between them strengthens as they embark on a road trip

to visit Trev ' s ailing father--a journey rerouted by a series of bizarre roadside attractions that propel them into an impulsive adventure disrupted by one birth, two arrests, a freakish dust storm, and a six-hundred-mile cat-and-mouse pursuit by a mysterious brown Buick Skylark. By the end of that journey, Trev has had his first taste of love, and Ben has found a new reason to love life. Bursting with energy and filled with moments of absolute beauty, this big-hearted and inspired novel ponders life ' s terrible surprises as well as what it takes to truly care for another human being. Spanish in the High Schools McDougal Littell/Houghton Mifflin

What was she thinking? Katie Weldon wonders if she was crazy to spontaneously fly off to Africa on a mission trip.

Suddenly she is dealing with a new

culture, a world she 's never experienced—and Eli, a friend who is quickly becoming much more. It 's all overwhelming ... and exciting. As her life turns topsy-turvy, however, she begins to think this might be exactly what she needs. Here, God might give her a glimpse into His will for her life. But just as Kenya and its people find a place in her heart, and her relationship with Eli begins to get serious, Katie is faced with unanswered questions from her past and unresolved issues with Eli. Is she really headed down the same path into the future he is? It doesn't look like it.

Why can't she finally and forever settle into a set direction? Living in this new and captivating place, one thing she knows for sure: anything might be possible. Finally and Forever is the final book in the Katie Weldon Series. Finally and Forever Alfaguara Infantil For intermediate and advanced Spanish language students, this book contains a collection of 125 Spanish crosswords with English clues. Play these crosswords alongside your language studies to improve your vocabulary while enjoying the challenge of completing each puzzle. Level 3

selects from an unlimited pool of words in common usage to create the crosswords and has a larger vocabulary than the Level 1 and 2 books.
