From Adrienne

Young, New York Times bestselling author of Sky in the Deep, comes her new gut-wrenching epic The Girl the Sea Gave Back. For as long as she can remember, Tova has lived among the Svell, the people who found

her washed ashore as a child and use her for her gift as a Truthtongue. Her own home and clan are long-faded memories, but the sacred symbols and staves inked over every inch of her skin mark her as one who

can cast the rune stones and see into the future. She has found a fragile place among those who fear her, but when two clans to the east bury their age-old blood feud and join together as one, her world is dangerously close to collapse. For the first time in generations, the leaders of the Svell are divided. Should they maintain peace or go to war with the allied clans to protect their newfound power? And when their chieftain looks to Tova to cast the stones, she sets into motion a series of events that will not only change the landscape of the mainland forever but will give her something she believed she could never have again—a home.

Learn Old Norse, the official spoken language during the Viking Age! Old Norse is the language that was spoken by the vikings and their overseas settlements during the Viking Age. The Old Norse alphabet was originally written in the Runic alphabet until it was converted to the Latin system we know today. This edition contains grammar, pronunciation, practice texts and an extensive dictionary based on the works of Zoega, Cleasby and Vigfusson all in one easy to read book.

new society, the Icelandic Free State. This volume examines the Viking Age in Iceland through the discoveries and excavations of the Mosfell Archaeological Project (MAP) in Iceland's Mosfell Valley. Directed by Professor Jesse Byock, with Field Director Davide Zori, MAP brings together scholars and researchers from Iceland, Britain, Canada, Denmark, Norway, Sweden, Germany, and the United States. The Project incorporates the disciplines of archaeology, history, saga studies, osteology, zoology, paleobotany, genetics, isotope studies, place names studies, environmental science, and historical architecture. The decade-long research of MAP has led to the discovery of an exceptionally well-preserved Viking chieftain's farmstead, including a longhouse, pagan cremation site, a conversion-era stave church, and a Christian graveyard. The research results presented here tell the story of how the Mosfell Valley developed from a ninth-century settlement of Norse seafarers into a powerful Icelandic chieftaincy of the Viking Age.

Iceland Chartwell Books
Supplementary Exercises for Old Norse - Old Icelandic is a new volume in the Viking Language Old Norse Icelandic Series. A workbook of 17 lessons designed for those who want to learn or sharpen their skills in Old Norse with innovative exercises, word games, and map questions. With a full vocabulary and a free Answer Key at oldnorse.org. It also contains Old Norse readings drawn from the Saga of Ragnar Lodbrok (recounting Ragnar's attack on England and his death in the snake pit) and mythic passages from The

Prose Edda describing a journey of the Norse gods, the great dragon's treasure, and the magical ring of the dwarves. Supplementary Exercises master Old Norse. **Voyage with the Vikings** Hackett Publishing
Never be lost for words again...with this book of lost words. Have you ever wanted to wield the silver tongue of Loki - or to hammer home your point like a Thundergod? Old Norse is the language of legends and the stuff of sagas, the inspiration for Tolkien and Marvel, for award-winning manga

and epic videogames. It is the language of cleverly crafted kennings, blood-curdling curses and pithy retorts to Ragnarök. Old Norse for Modern Times gives you the perfect phrase for every contemporary situation - from memorable movie quotes ("We're going to need a bigger boat." Þurfa munu vér skip stærra) to battle-cries to yell on Discord ("Do I look to be in a gaming mood?" Sýnisk Þér ek vera í skapi til leika?), from mead hall musings ("This drink, I like it! ANOTHER!" Líkar mér drykkur

Pessi! ANNAN!) to tried-and-tested pickup lines ("Nice tattoo!"? Fagrt er húðflúrið"). With over 500 phrases inside (plus the chance to add your own!) it is the perfect guide for Vikings fans, whether they are re-enactors, role-players, or simply in love with Ragnar.

Viking Language 1

Penguin UK

Old Norse - Old Icelandic: Concise Introduction is a modern "primer" for learning to read the Icelandic sagas in their original language. This straightforward, easy-to-use primer requires no previous language knowledge. It is

designed for self-learning, in-class use, and distance learning. Starting with the first page, students read Old Norse passages from Icelandic sagas as well as episodes from Scandinavian myth and medieval sources. The language and thought of the Viking Age come alive in these critical, Old Norse reading segments. Old Norse - Old Icelandic is divided into 17 short lessons. Each lesson opens with a passage in Old Icelandic drawn from sagas or mythological sources. Lessons focus on the grammar and vocabulary necessary to master

the reading(s). In this way, original texts determine the instruction, and students master grammatical elements as they are needed. To speed the learning, each lesson contains a short vocabulary of new words and phrases, as well as practice exercises, reinforcing the grammatical explanations. For a free Answer Key to the exercises, visit our website: oldnorse.org.

Old Norse for Modern Times

Univ of California Press

Old Norse is a North Germanic language spoken by inhabitants of Scandinavia from about the 7th to

the 15th centuries. It has today evolved into the modern languages of Icelandic, Faroese, Norwegian, Danish, and Swedish. During the Viking Age it also had an impact and influence on the English language which resulted in the simplification of its grammar, and many loan words which are still in use today. The aim of this book is to be useful to anyone wishing to study, read, and understand the fascinating wealth of Old Norse and Old Icelandic literature available

in its original form. In this book there are over 10,000 words included (in both Norse to English and English to Norse format), as well as notes on the main word form differences between Old Norse and Old Icelandic, and the use of numbers in Old Norse.

This fascinating new book reveals the origins of the Vikings—from Thor and Leif Erikson to Loki and the Valkyries—and the tales that have influenced our own lives. For thousands of years, Vikings

have held a storied place in our culture—their distinct appearance, their mighty longships, their reputation for causing death and destruction. But who were these strange and mysterious folk? The Book of Viking Myths retells the stories of the Viking people, with myths of their gods and goddesses, monsters, and great heroes. From tales of the beautiful and powerful Freyja, to the gold-toothed Heimdallr, to the wolf Fenrir, Peter Archer explores all the figures and tales that make up

Norse mythology. Along with these legends of seafaring, dwarves, giants, and the exploits of Thor, you will also discover the influences that Viking culture has had on our own lives. It's a true exploration of Nordic culture—and a glimpse into the history and lore of these fabled Nordic warriors.

Feud in the Icelandic Saga
 Wednesday Books

This is the first ever book-length study for the nature and significance of the linguistic contact between speakers of Old Norse and Old English in Viking Age England. It investigates in a wide-ranging and systematic fashion a foundational but under-considered factor in the history and culture of the Vikings in England. The subject is important for late Anglo-Saxon and Viking Age history; for language and literature in the late Anglo-Saxon period; and for the history and development of the English language. The work's primary focus is on Anglo-Norse language contact, with a particular emphasis on the question of possible mutual intelligibility between speakers of the two languages; but since language contact is an emphatically sociolinguistic phenomenon, the work's methodology combines linguistic, literary and historical approaches, and draws for its evidence on texts in Old English, Old

Norse and Anglo-Latin, and other forms of linguistic and onomastic material

The Book of Viking Myths

Penguin UK

This major survey of Old Norse-Icelandic literature and culture demonstrates the remarkable continuity of Icelandic language and culture from medieval to modern times. Comprises 29 chapters written by leading scholars in the field. Reflects current debates among Old Norse-Icelandic scholars

ars Pays attention to previously neglected areas of study, such as the sagas of Icelandic bishops and the fantasy sagas. Looks at the ways Old Norse-Icelandic literature is used by modern writers, artists and film directors, both within and outside Scandinavia. Sets Old Norse-Icelandic language and literature in its wider cultural context

The Cambridge Introduction to the Old Norse-Icelandic Saga

Simon and Schuster

Composed at the end of the fourteenth century by an unknown author, *The Saga of Grettir the Strong* is one of the last great Icelandic sagas. It relates the tale of Grettir, an eleventh-century warrior struggling to hold on to the values of a heroic age becoming eclipsed by Christianity and a more pastoral lifestyle. Unable to settle into a community of farmers, Grettir

becomes the aggressive scourge of both honest men and evil monsters - until, following a battle with the sinister ghost Glam, he is cursed to endure a life of tortured loneliness away from civilisation, fighting giants, trolls and berserks. A mesmerising combination of pagan ideals and Christian faith, this is a profoundly moving conclusion to the Golden Age of the saga writing. *The Sea of Trolls* Viking Language

12nd upgraded edition of Viking Language 1 in new smaller book size. Everything necessary to learn Old Norse, the language of the Iceland and Old Scandinavia. For beginner to advanced, graded lessons, saga readings, runes, myths, old Icelandic, grammar exercises, pronunciation, vocabulary and study guides. www.oldnorse.org and vikinglanguage.com Viking Language 2 Viking Language 2: The Old Norse Reader immerses the learner in the legends, folklore,

The Viking Spirit is an introduction to Norse mythology like no other. As you'd expect from Daniel McCoy, the creator of the enduringly popular website Norse Mythology for Smart People (Norse-Mythology.org), it's written to scholarly standards, but in a simple, clear, and entertaining style that's easy to understand and a pleasure to read. It includes gripping retellings of no less than 34 epic Norse myths - more than any

other book in the field - while also providing an equally comprehensive overview of the fascinating Viking religion of which Norse mythology was a part. You'll learn about the Vikings' gods and goddesses, their concept of fate, their views on the afterlife, their moral code, how they thought the universe was structured, how they practiced their religion, the role that magic played in their lives, and much more. With its inclusion of the

latest groundbreaking research in the field, The Viking Spirit is the ultimate introduction to the timeless splendor of Norse mythology and religion for the 21st Century. *A Companion to Old Norse-Icelandic Literature and Culture* John Wiley & Sons The Wanderer's Hávamál features Jackson Crawford's complete, carefully revised English translation of the Old Norse poem Hávamál, newly annotated for this volume, together with facing original Old Norse text sourced directly

from the Codex Regius manuscript. Rounding out the volume are Crawford's classic *Cowboy Hávamál* and translations of other related texts central to understanding the character, wisdom, and mysteries of Óðinn (Odin). Portable and reader-friendly, it makes an ideal companion for both lovers of Old Norse mythology and those new to the wisdom of this central Eddic poem wherever they may find themselves. *The Girl the Sea Gave Back* Viking Language Old Norse Icel Learn Nahuatl, the language used by the Mexica (Aztec) civilization and still preserved by over a million people in

Mexico. This guide is not written for the expert linguist, but rather for the beginner. Included are hundreds of examples and dozens of practice sets. An emphasis is placed on the Huasteca variety of Chicontepec, Veracruz. This second edition presents with improved updates, more vocabulary sections, larger reference dictionary, and new included grammar sections. *The Wanderer's Havamal* Brepols Pub Byock sees the crucial element in the origin of the Icelandic sagas not as the introduction of writing or the impact of literary borrowings from

the continent but the subject of the tales themselves - feud. This simple thesis is developed into a thorough examination of Icelandic society and feud, and of the narrative technique of recounting it.
