Summer at Fairacre
Ballantine Books
Set in Caxley, the quiet country town neighboring the village of Fairacre, The Caxley Chronicles follow two intertwined families, the Howards and the Norths, through the tumultuous first half of the twentieth century. The first Caxley tale, The Market Square, introduces the deep-

rooted camaraderie of Septimus Howard and Bender North, whose friendship survives misunderstandings, the tragedy of war, and the bitterness of loss. The story of their families continues through the generations. The second tale, The Howards of Caxley, tells of Edward Howard, grandson to them both. Edward flies for the Royal Air Force Reserve as England prepares for another war -- and Caxley braces itself for overwhelming changes.

"From the author of the "jaunty, heartbreaking

winner" (People) and international bestseller Dear Mrs. Bird, a new charming and uplifting novel set in London during World War II about a plucky aspiring journalist. London, November 1941. Following the departure of the formidable Henrietta Bird from Woman's Friend magazine, things are looking up for Emmeline Lake as she takes on the challenge of becoming a young wartime advice columnist. Her relationship with boyfriend Charles (now stationed back in the UK) is blossoming, while Emmy's best friend

Bunty, still reeling from the very worst of the Blitz, is bravely looking to the future. Together, the friends are determined to Make a Go of It. When the Ministry of Information calls on Britain's women's magazines to help recruit desperately needed female workers to the war effort, Emmy is thrilled to be asked to step up and help. But when she and Bunty meet a young woman who shows them the very real challenges that women war workers face, Emmy must tackle a life-changing dilemma between doing her duty and standing

by her friends. Every bit as funny, heartwarming, and touching as Dear Mrs. Bird, Yours Cheerfully is a celebration of friendship--a testament to the strength of women and the importance of lifting each other up, even in the most challenging times"--*Storm in the Village*

her longtime friend, Eugenie and Clare—members of the powerful and influential family whose name the college bears. Christine's revelation throws shadows of betrayal, lust, and insanity onto the family's distinguished facade. But after the lecture, Christine seems distant, uneasy, and sad. The next day, she disappears. Juno immediately suspects a connection to her friend's shocking speech. Although painfully reminded of her own experience with Neil's mental illness, Juno nevertheless peels away the layers of secrets and madness that surround the Penrose dynasty. She fears that Christine discovered something damning about them, perhaps even something worth killing for. And Juno is determined to find it—for herself, for her friend, and for her long-lost husband.

How can partners coexist without co-exhausting each other? Cynthia Ruchti and Becky Melby know all too well how adjusting to a new, all-the-time closeness can cause the bliss of marriage to form blisters. Drawing from their experiences, and from men and women across the country in the same

situation, the authors take a deep breath and dive into the root causes. They dig into the ways God's Word has to say, and they offer practical tips for learning the spiritual, emotional, relational, and even physical steps that can help readers replace irritation with peace. For any Christian

who wants their home to be a refuge of peace and serenity for all—not just themselves—and who wants to know they aren't alone in the mental and physical claustrophobia of too much togetherness, Spouse in the House is a vulnerable, charming, and pragmatic breath of hope.
