Machinery Market Causey Enterprises, LLC

A comprehensive alphabetical listing covers more than 2,500 of the world's major motorcycle manufacturers and their bikes. WALNECK'S CLASSIC CYCLE TRADER, AUGUST 1989 Read Books Ltd Many of the earliest books, particularly those dating back to

the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Gardeners' Chronicle Booksales

96 pages, 57 black & white illustrations, size 5.5 x 8.5 inches. Originally published under the same title, this book is one of The Motorcyclist's Library series published in the USA by Floyd Clymer by arrangement with the original publishers, Pitman Ltd. of London, England. This publication covers both the early 1920's through the 1960's two-stroke Villiers engines and while the primary focus is on motorcycle engines the information is also applicable to those same engines that were used in other applications. There is detailed text and diagrams to assist in major refurbishing plus adequate technical

data, charts, service and maintenance information for the repair and overhaul of Villiers 50 cc, 75, 98, 122, 127, 147, 148, 172, 173, 197, 225, 246, 247, 249, 250, 324, 346 & 353 cc two-stroke engines. This publication has been out-of-print and unavailable for many years and is becoming increasingly more difficult to find on the secondary market. We are pleased to be able to offer this reproduction as a service to all Villiers motorcycle enthusiasts worldwide.
